Day Four

03.07.2025

The fourth day orientation was dedicated to explaining different organizations such as NCC, NSS, YRC and Fine Arts available in our college. NCC Officer Dr. P. Arokiya Sahayaraj Explained the students about the importance of NCC. He said that the male and female students could join the NCC. NCC can give he said both physical health and discipline. It can also put the cadets well above others in getting seats in higher education and job opportunities. Dr. R. Gunasekaran the YRC coordinator explained the importance of YRC. It is he said a global organization available in all the countries of the earth. It was started with a great motive of saving human lives. It would give the volunteers enormous amount of happiness and make them feel proud of their service. He also explained how the organization was started and how it global acceptance.

NSS officers explained about the functioning of NSS. They detailed how service to humanity and nation will help one shape one's personality. If a person they said has learnt how to be service oriented in one's formative years, how that will shape one's future and make one a better person and better citizen in later life. Service temperament cultivated in college students will prevent them from doing any antisocial activities in the future they said.

DAY FIVE

04.07.2025

The fifth day orientation was dedicated to Psychological Counselling. Dr. K. Angammal the principal of our college gave a presidential address. She pointed out that mental problems are like our other physical problems and one should not hesitate to consult doctor to get treatment for one's mental health.

Dr. P. T. Krishnamoorthy, MBBS, District Psychiatrist, Trichy, Mrs. S. Geetha, M. Sc, M. Phil, Psychiatrist, District Mental Health Programme, Trichy and Mr. S. Godson M.S.W., M.B.A, M. Sc Psychiatrist Government Quarters Hospital Manapparai gave their wonderful lectures and demonstrated the problems related to mental health. They said that mental health should be addressed as when required. They also explained how visiting psychiatrists can change lives better. But at the same time ignoring mental health problems will worsen condition and may result in permanent damage. They also explained how to overcome the social stigma attached to mental health issues. The chief guests when detailing the intricacies involved in the understanding and treatment of mental health issues gave high importance to the mental health problems related to teen-age boys and girls.
