Examination	Very good	Good	✓	Satisfactory	Not satisfactory	
Association	Very good	Good		Satisfactory	✓	Not satisfactory
Infrastructure	Very good	Good		Satisfactory	✓	Not satisfactory
Overall Performance	Very good	Good	✓	Satisfactory		Not satisfactory

*Teaching learning & Research

2. Feedback from the students

Good (Regarding Teaching, Examination & Practicals)
Feedback forms can be obtained from students regarding evaluation of teaching, subject materials, examination and requirements every year. Remedial classes can be arranged for weak students.

3. Interaction with Faculty members and the impressions

Good
Faculty members are ready to work for uplift of students as well as department. They are co-operative and interacting well.

4. Comments of the Visiting Team on the overall performance

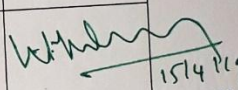

Overall performance is good in teaching as well as in research. Two projects are ongoing and six papers are published in reputed International/National journals with good impact factors. Seven papers have been presented in International/National Conferences/Seminars. The faculty members have been participated in six conferences. The faculty members also interested to act as Resource person. Research work has been made in collaboration with Sastra University, Tanjore, SRM University Chennai, Kalasalingam University, Srivilliputhur, BHEL, Trichy. NPL, New Delhi and Sacred Heart College, Vellore.

1. Two candidates V. Bharath & M. Rajalingam doing M.Sc., are received TNSCST student project scheme.
2. Three research scholars are awarded Ph.D, Four of the scholars have submitted their Ph.D thesis and three numbers of scholars have submitted synopsis.
3. Consultancy has been provided to academicians by providing research facilities UV-spectrometer, Solution growth, Dielectric setup, impedance studies and Optical microscopy.

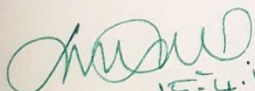

5. Recommendations (if any) of the Visiting Team

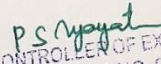

1. Space for UG lab is not sufficient and it can be extended. Separate PG lab can be provided.

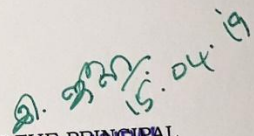

2. Lab facilities may be strengthened.
3. Smart class room may be provided to strengthen the teaching methodology.
4. Self learning courses (SLC) may be provided for UG course to encourage the advance learners. Additional credits may be given to them.
5. Double valuation may be introduced at least in the PG level.

Teaching, Learning & Research

Feedback from the Students:

From the feedback drawn from the students, they seem to be highly centered and pleased as the teaching performance of all the staff members of the department. They say that they are well motivated and encouraged by the staff members to come up in life.

Interaction with Faculty members and the impressions:

- Had a great time of interaction with the staff members.
- They are pleasantly courteous staff – student relationship is very good.

Comments of the Visiting Team on the overall performance

- The interest and concern shown by the staff members to the students is extremely good.
- Very good performance by the staff members with respect to teaching, inculcating moral and social ethics to students.
- Excellent department with good, career objectives and vision to provide dynamic statisticians.
- Appreciated for producing 100% results in both UG and PG.

Recommendation:

- State wide Surveys may be conducted by the department.
- Since Statistics play a vital role in research, the staff members can motivate the students to take up minor projects to improve their caliber as Statistician.
- Must take steps to have Collaboration with industries in and around Trichy.

*Teaching, Learning & Research

2. Feedback from the Students:

Students' feedback reflects that the encouragement consistent interest and dedication shown in their welfare by the staff members has resulted in boosting the performance of the students at par with the University and other colleges both in academics and extra curricular activities. The ease with which the faculty make themselves approachable has resulted in overcoming a lot of hurdles which they face in their everyday life complete and successfully lead a healthy life.

3. Interaction with Faculty members and the impression:

Presence of qualified permanent female and male faculty members in equal ratio (10 male + 7 Female) along with 1 men HOD enables the smooth functioning of the department and creates conducive academic atmosphere. It has also resulted in allaying the unfounded fears of the girl students. The functioning of Tutorial ward system for each class headed by faculty member facilitates individual care and attention for the students.

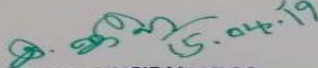

Comments of the Visiting Team on the overall performance:

The team was highly impressed by the overall way in which the students and staff conducted themselves and appreciated the achievements in academics and extra curricular activities.

Recommendation (if any) of the Visiting Team :

Students should keep in mind about the national integrity, clean environment, social values, commitment and conservation and proper utilization of natural resources along with their academic achievements. Faculty members should inculcate and nature the student with the above features to become well-behaved citizens of our country.
