     Jana-gana-mangala-dayaka jaya he
Bharata-bhagya-vidhata.
     Jaya he, jaya he, jaya he
     Jaya jaya, jaya, jaya he.

NATIONAL ANTHEM – MEANING

Oh Tamil Country! You are the ruler of minds of people, let the victory be with you.

The dispenser of the destiny of India — Punjab, Sindh, Gujarat, Maratha, Dravid, Orissa, Bengal.

There are echoes in the hills of Vidhya, and the Himalayas and music is mingled in Yamuna, and Ganga which is chanted by foaming waves of the Indian Sea.

Wake up listening to the auspicious name of yours and pray for your blessings, The saving of all the people is lying in your hands.

You are the one to impart well-being to the people, the dispenser of the destiny of India.

May you get victory, victory, and victory for you!

TAMIZHTHAI VAZHTHU

(Oh Tamil Country!) you are beautifully clad in the wavy rivers and seas;
Your chiseled face shines amidst the famous Barath sub-continent;
You are the elite Dravidian country in the Deccan;
Your small forehead shines like the crescent with a distinct "thilagam";
Like the fragrance of the "thilagam" rejoiced by the entire world,
Your great name and fame is known in all directions;
Oh Tamil Angel! Oh Tamil Angel!
Your majestic, youthful industriousness makes us spell bound and wish all the best for you, all the best! all the best!

NATIONAL PLEDGE

India is my country. All Indians are my brothers and sisters. I love my country, and I am proud of its rich and varied heritage. I shall always strive to be worthy of it. I shall give respect to my parents, teachers, and all elders, and treat everyone with courtesy. To my country and my people, I pledge my devotion. In their wellbeing and prosperity alone, lies my happiness. Jai Hind!

UNTOUCHABILITY PLEDGE

Touchlessness means a group of people being isolated from the mainstream.

The society is divided by caste.

This results in the loss of a particular community's dignity and low self-esteem.

It restricts discrimination in the discriminated community's social, economic and educational development.

Since 1500-800 BC our culture has been defiling intactness.

This supports conversions of religions in society.

3. THANTHI PERIYAR E.V.R.
Hero of India's freedom struggle, Erode Singam, an unparalleled thinker of the 20th century, who fought to root out superstitions. He was born on 17.09.1879 to an Erode businessman Venkatappa Nayak and Chinnathayam.

Realizing that social emancipation is more important than political emancipation, he changed his field of struggle and strove for social welfare.

He strongly condemned atrocities committed in the name of God and religion.

He was called the Vaikam Warrior because he fought in a town called Vaikam in Kerala state to eradicate untouchability. He insisted that women should get education to establish women's rights. A person who motivated to think rationally about anything. He lived a very simple life and gave the wealth he earned in public life to the society. A wonderful man who lived with the high qualities of morality, honesty, punctuality, frugality, and who never feared to tell the truth.

He also reformed the Tamil Language. He advocated intercaste marriage to eradicate the caste system. He served like a lamp to cultivate self respect and instill reason till he breathed his last. There was no part in Tamil Nadu that was left untreat by this great seer. He died due to ailment on 24.12.1973.

This college came into existence due to the gift of such a saint.

4. HISTORY OF THE COLLEGE

Tiruchirappalli town has many colleges which caters to Higher education. However, as the number of students is increasing day by day, many do not get the opportunities to study. Absence of a government college in the city was a major drawback, especially for the students of the lower and backward classes to get higher education.

Thanthai Periyar, who was passionate about the educational development of students belonging to poor families had a long-term wish of establishing a Government College. Benefactor Periyar donated Rs.3.5 lakhs, 9.65 acres of land and the Lanka building to the Government of Tamil Nadu for the education of poor students in the city.

The Tamil Nadu government willingly accepted and acquired the nearby buildings and land to construct the student hostel and college buildings and thus this college came into existence. After purchasing new lands, the area of the college increased to 52.62 acres.

In 1965 the classes and laboratories worth Rs.16.5 lakhs was built and raised. On 24.08.1965, the then Chief Minister of Tamil Nadu, Mr. M. Bhaktavatchalam opened this college, officially.

The college is located near Kajamalai, three kilometers from Tiruchirappalli railway junction. To reach this college one has to come via Mannarpuram Nal Road or Jamal Mohammed College. Tiruchirappalli Law College and Bharathidasan University campus are also close to this college. To the north of the college is the Anna Stadium, Youth Hostel and Scheduled Class / Tribal Class Hostel.

The college has been functioning autonomously since the academic year 1998-99. On the basis of the allocation of funds for the construction of new buildings in government colleges on the occasion of the centenary of the Hon'ble former Chief Minister Arignar Anna of Tamil Nadu, the Government of

Tamil Nadu allocated fund for 18 classrooms and 2 science laboratories which were completed in the year 2009.

Mr. N. Siva, MA, B.L., a Member of Parliament and an ex-student of this college, contributed a grant of Rs.50 lakhs under the local development scheme. With this grant, a well equipped auditorium was constructed in the college campus in 2010.

Also, for the construction of a modern rest room for the female students of this college, Rs.20,00,000/- has been allocated and is being constructed. Anna Centenary Fund Rs.100 lakhs has been allocated and 21 classrooms have been constructed in the year 2010.

5. EMBLEM OF THE COLLEGE

The symbol of our college expresses the pride, culture and spirit of our country. To illustrate that this college is a government college, the symbol of the Tamil Nadu government the Gopuram is seen in the left corner. And this symbol expresses the idea that students should rise as high as the Gopuram in terms of cultural heritage, knowledge and innovation.

Next to it is the lotus flower and elephant symbols which represent Indian culture and tradition. Also, during the initial period, the college bore the elephant symbol to signify its affiliation with the University of Chennai. Moreover, the elephant is used to show the qualities of knowledge, honesty, patience, pride, goodwill, generosity, and great appearance.

It is significant that the people of India harbour these qualities. The poet Bharathidasan's statement that an elephant may appear to be very big but shows its prowess with modesty, in the same way the students of this college should be knowledgeable and humble like the elephant.

In the Indian mainland, the flowers are considered auspicious and especially the lotus. Hence the lotus flower has a place in the college emblem. This flower, combined with red and white, represents prosperity and wealth. This symbol is seen as a symbol of purity and encourages students to live a pure and ideal life. The open book on the top of the lotus indicates the intention of the students to increase their knowledge without rest.

Among these three symbols, Malaikottai Temple and Theppakulam, which are located below, indicate the pride of Tiruchirappalli city. Under it, the rhetoric that can be found in the book as *Pakuthunar* is taken from Bharatiyar

and is based on the principle that students should seek the truth and analyze any book and live their lives with a goal.

It is a special thing that the logo of our college is based on this concept which shows that the teachers and students should strive towards success every day so that this proud educational institution can provide great knowledge.
