ACTION TAKEN REPORT FOR FEEDBACK ON CURRICULAM DEVELOPMENT

THE ACADEMIC YEAR OF SYLLABUS REVISION 2018-19

Department: CHEMISTRY

Programme: B.Sc., & M.Sc

Stakeholder	Suggestion	
Students	UG	The course such as Industrial chemistry, Pharmaceutical chemistry, and Food and Nutrition were incorporated already in the syllabus for industrial exposure. The students suggested industrial visits to know the scientific formulation of drug in the pharmaceutical company and also to know the various preparations of day to day cosmetics.
	PG	The PG students suggested field visit in relevance to the course Environmental pollution and Analytical techniques which enable them to understand the pollution control methodology.
Teachers	The teachers also suggested the industrial visit to paper, cement and sugar industries so that the students can benefit and enrich their knowledge on industrial operations.	
Employers	The industrialist (Board members) suggested to incorporate water analysis techniques in the practical sessions through water analysis kit.	
Alumni	Based on the course Analytical and Instrumental techniques in chemistry, alumni suggested that the students should undergo some exposure in handling the analytical instruments.	
Action Taken		
➤ It is planned that after the discussion in the Board of studies meeting, students will be exposed to industrial visit based on the curriculum.

ACTION TAKEN REPORT FOR FEEDBACK ON CURRICULAM DEVELOPMENT

THE ACADEMIC YEAR OF SYLLABUS REVISION 2018-19

Department: Commerce

Programme: B. Com & M. Com

Stakeholder		Suggestion
Students	UG	Updated with industrial oriented syllabus will be useful to get employment in private sectors
	PG	UGC NET syllabus may incorporate in curriculum and industrial training or internship added in syllabus
Teachers		Syllabus should be more specific and focusing on corporate demand Students may involve internship or field visits per year We need to provide more skill-based courses for improve employability of the students
Employers		Syllabuses are more theory based which is not meeting the demand of the corporate sector. Software based accounting and taxation may incorporate in the syllabus
Alumni		Separate lab facilities needed to more practical oriented education There is a need of skill-based training to empower employability skill Need more Updating in syllabus
Action Taken		
<ul style="list-style-type: none">➤ Syllabus revised and updated as per the requirements of the corporate and real-life sectors.➤ To get practical exposure to PG students, Project Report introduced which help to explore and visits industries for data collection and report preparation.➤ Skill based course were introduced such as value education, personality development and Environmental studies.➤ GST , Tally and software based syllabus were incorporated along with existing paper to improve their employability skills.

Action Taken

- Film Production paper has been included in the 5th semester where the content deals with the process involved in production of films.
- VI semester both Communication research methodology and development communication papers have been deleted instead Broadcast Media and Media and Representation papers have been included.
- Video production exercises include various production genres and giving more options to students to work on.
- Web Designing paper has been given at the PG level in 4th semester for exposing students to digital design papers
- Communication Research Methodology paper and development communication paper, with changes in the content have been included in the PG curriculum.
- For certain papers like Media Literacy, Graphic Design, Dynamics of Visual Communication, Story Development and Script Writing, Journalistic Writing Skills, Communication Research Methodology, Environmental Communication, Development Communication, unit 5, case studies, research assignments and a mix of practical and theoretical components have been included.
- PG students are encouraged to go for Internship after the second semester, as there are not many media industries in Trichy the students might have to go to Chennai and Bangalore for doing their internships, keeping in mind the economical background of the students its only a suggestion in the syllabus to go for internship. Later could be made mandatory.
- Interview skills and communication skill development has been included and emphasized in the paper communication skills offered in the first year and soft skill paper is included in the 5th semester.
- In unitization of papers care has been taken to include topics on current trends and developments in media. Papers like Advertising broadcast media , Journalism and mass media, New Media Technologies, Mass media and Society, Public Relations.
