4) The semester-wise course pattern and distribution of credits for UG & PG Arts and Science and M.Phil. programmes, as recommended by CCC, are given in Annexures II to VII respectively. It is resolved to frame CO's, PO's and PSO's for all programmes from the academic year 2018 onwards. It is also resolved that any deviation from these by the Board of Studies of any department will be scrutinised and revised by the CCC so as to be in conformity with the recommendations of the CCC.

5) The Finance Committee of the College has resolved the following in its meeting held on 16-04-2018.

"It has been observed that in the panel of examiners submitted by HoDs for practical examination / project viva-voce, more number of examiners from far away places are frequently included. As a result of this the CoE/ ACoE is left with no option other than choosing outstation examiners. This results in too much of expenditure by way of TA & DA to the examiners. So to reduce such expenditure in future, it is resolved to utilize the expertise of examiners from nearby local colleges as far as possible. Outstation examiners may be invited only when there is no other option."

"In order to reduce M.Phil. related expenditure, instead of inviting a separate panel of three examiners for each candidate for M.Phil. dissertation viva-voce examination, it is resolved to invite a consolidated panel of external examiners consisting of thrice the number of required examiners at the rate of one examiner per twelve candidates. The panel of examiners may be prepared by the respective HoDs in consultation with the faculty of the department. The expertise of faculty members of nearby local colleges may be used as far as possible."

It is resolved to ratify these resolutions and to implement the same from June 2018 onwards.

Therefore, the Board of Studies has resolved to have a slightly different syllabus to the batch admitted in 2017-18. It is resolved to approve the resolution of the Board of Studies.
- 7) It is resolved to instruct the departments offering Ph.D. programmes to strictly adhere to the norms prescribed by Bharathidasan University.

The college campus at present has more than 10 buildings housing 16 departments. Of the 16 departments, 14 departments have been recognised by the Bharathidasan University as research centres offering Ph.D., courses.

12. It is learnt that syllabus for various courses adopted during 2018-2021 were extended for another year i.e., 2021-22 as the COVID-19 pandemic conditions prevented the conduct of Board of Studies and Academic council meeting.
