"A Session on Research Methodology"

REPORT on RESEARCH METHODOLOGY

Date: 24, Nov 2022

Duration: 01:00 pm - 03:00pm

Mode: Online

The Department of Sciences conducted a Webinar on 'Research Methodology' on 24th of November, 2022 for all the students of III year B. Sc. There were 30 participants. The resource person for the day was Dr. H. Alexis Selvaraj, Assistant Professor & HOD, Thanthai Periyar Government Arts and Science College (Autonomous), Trichy. The webinar was well organized by the faculty coordinators Ms. Divya V R and Mr. Kagendra T along with the student coordinators Mr. Syed Hussain, Ms. Abhi and Ms. Sinchana.

Objectives:

To enlighten the students on the scientific procedures to identify, select, process and analyses information about a topic.

The session started at 01:00 pm with a welcome speech by Ms. Abhi S (III B. Sc). Dr. H. Alexis Selvaraj addressed the students by introducing the importance of statistics and later explained on the different types of research in Research methodologies. Some of the topics covered were applied research, qualitative research; quantitative research etc. There was a Question and Answer session where the students could clear their thoughts and doubts on the subject. Feedback link was provided to all the participants. Ms. Sinchana R (III B. Sc) concluded at 12:00 pm by giving away the vote of thanks.

Conclusion with Learner's Outcome:

The III year B. Sc students actively participated, showed deep interest and gained knowledge about the different types of Research Methodologies.

Report of the One-day Seminar

As part of the MOU signed between PG and Research Department of Visual Communication and Ozone Computer Education, a one - day Seminar on 3D Animation Techniques was organised in the department for the 3rd year students on 18th July 2018. The session was taken by Mr. A. Ramesh Babu, CEO of Ozone Computer Education. The session was a hands-on experience for the students in the field of 3D Animation. The students were taught the tools and techniques involved in 3D Animation by using 3DMax software. They were taught to animate objects, create a walk through. After the seminar the students had an interactive session with the speaker.
