CRITERION-VI

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.2.2-E-GOVERNANCE

Finance and Administration:
IFHRMS:

The Government of Tamil Nadu has implemented the Integrated Financial and Human Resource Management System (IFHRMS) as part of its e-Governance initiative. This system operates under the purview of the Financial Department and the Treasury and Accounts Department of the Tamil Nadu State. The IFHRMS is an online portal that offers comprehensive services at Karuvoolam.tn.gov.in. for government employees in Tamil Nadu. Our college has been effectively utilizing the IFHRMS since August 2020.

Library:

E-GRANTHALAYA:

The college's general library has been automated using the EG3 (e-Granthalaya) Library automated software, which was received from the National Informatics Centre (NIC), New Delhi through Letter No. NIC/EG3/2015/3 dated 12.5.2015 at no cost. Previously, the library data was maintained in Excel format, but after the installation of EG3, the data was migrated to the software. Since 2015, our college library has been using this software for various library transactions such as member registration, issuing bar coded library membership cards, book lending, book returns, and book renewals. This software has greatly simplified the regular manual library management tasks.
