SUBJECT: Supply of "e-Granthalaya" CD

Dear Madam/Sir,

This has reference to your Letter/Request Form/Email regarding supply of "e- Granthalaya" software for your Library. In this regard, we are pleased to inform you that we are sending a copy of the e-Granthalaya 3.0 software in the CD at zero cost. For successful implementation of the software you may avail various support services (installation, data entry, migration, on-site training, manpower deployment, etc.) provided from National Informatics Centre Services Inc. (NICS) - a company under NIC, on payment basis as per the rates given mentioned on the NICS web Site, if you wish to avail (<http://nicsi.nic.in>).

We are sending the CD containing the e-Granthalaya software (Ver.3.0 LAN based database connectivity), installation guide and user manual along with other components of the software (DBMS - MS SQL Server 2005 - Express Ed). You may install the software as per the procedure/steps given in the eG3_installation guide (pdf file in 'Manual' folder of CD). In case you face any problem during installation, please write us at email address: rkmatioria@nic.in or contact us at 011-24305487. More details about the software is available on our web site at <http://e-granthalaya.nic.in>.

The software runs on any version of Windows such as Win XP/Vista/7/8/Windows Server 2003/2008/R2/2012/. It uses any version of Microsoft SQL Server (2005/2008/R2/2012) DBMS, however, Express Edition(Free) of MS SQL Server 2005 is being provided in the CD as FREE solution.

After successful installation, it is useful to read 'User Manual' to understand various modules of the software. The data entry of the books can be started using Retro-Conversion Form under CATALOGING Module. Also, you may ask library staff to attend the 3-days training program whenever conducted in NIC or elsewhere, for details please visit <http://e-granthalaya.nic.in> regularly. We have registered your email in e-Granthalaya Mail forum to update you regularly about the software and other related activities.

With the hope to get your prompt action in this matter..

Thanking You

Yours Sincerely,

(Ram Kumar Matoria)
