Endowment amount utilization for the year 2018-2019

Every year, interest has been received for the investments made by the endowments associated with our college. The amount will be spent at the end of each year for the award of proficiency prizes. In 2018-19, the interest amounted to Rs.66,637, and it was deposited in the PD-2 account. However, due to the onset of COVID, the allocated amount remained unused and was kept in the accumulated PD-2 account for potential future use in subsequent years.
