6.5.1: Incremental improvements and post accreditation quality initiatives:

Incremental improvements:

Webinars on health awareness are conducted.

Presently the promotion for the teaching faculty are done through the procedure given by CAS (Career Advancement Scheme) of the government of Tamil Nadu. Each faculty member submits his/her self-appraisal form which is scrutinized by the CAS committee allotted separately for each department by the principal. Based on that report, promotion is awarded to the concerned faculty member by the directorate of collegiate education after verifying the requirements of the guidelines.

The College, on a regular basis, makes a thorough environmental assessment of the campus and implements healthy ecological practices in water and energy conservation and waste management. NSS volunteers regularly have a check on the cleanliness of the whole campus. More trees are planted. Some of the other eco initiatives are rain water harvesting system, vermicomposting and Herbal garden.
