*Teaching, Learning & Research

2. Feedback from the Students:

Students feedback reflects that the encouragement, consistent interest and dedication shown in their welfare by the staff members has resulted in boosting the performance of the students at par with the university and other colleges both in academics and extracurricular activities. The ease with which the faculty make themselves approachable has resulted in overcoming a lot of hurdles which they face in their everyday life, compete and successfully lead a healthy life.

3. Interaction with Faculty members and the impressions:

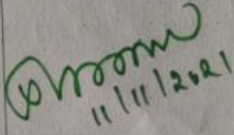

Presence of qualified permanent female and male faculty members in equal ratio (6 female + 6 male) along with 1 female HOD enables the smooth functioning of the department and creates conducive academic atmosphere. It has also resulted in allaying unbound fears of the girl students. The functioning of Tutorial ward system for each class headed by faculty member facilitates individual care and attention for the students.

4. Comments of the Visiting Team on the overall performance:

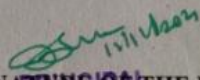

The team was highly impressed by the overall way in which the students and staff conducted themselves and appreciated the achievements in academics and extracurricular activities.

5. Recommendations (if any) of the Visiting Team:

Students should keep in mind about the national integrity, clean environment, social values, commitment and conservation and proper utilization of natural resources along with their academic achievements. Faculty members should inculcate and nurture the students with the above features to become well-behaved citizens of our country.

2. Feedback from the Students: Nil

3. Interaction with Faculty members and the impressions

Faculty members requested computer facility in the lab and classroom and to procure advanced laboratory equipments and books.

4. Comments of the Visiting Team on the overall performance

• Faculty members are highly efficient and dedicated towards the development of the department. The dedicated efforts of faculties in achieving 100% results in all the subjects is highly appreciable.

5. Recommendations (if any) of the Visiting Team:

*For the conductance of regular laboratory courses, two more exclusive laboratories (Microbiology & Molecular biology) need to be established

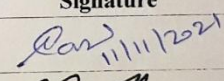

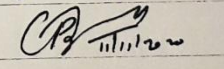

* As the department recently got Ph.D recognition, it is required to establish research laboratory (cell culture facility) for the benefit of research students.

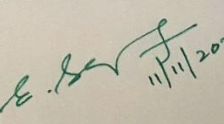

* Fund allotment for consumables, books and equipments need to be improved.

* Computer and internet facilities to be provided to the students and faculty members

* As per UGC guidelines, five faculty members are recommended for the PG department. Shortage of three faculty members observed. It is recommended to appoint three more faculty members for the benefit of the students.

* It is suggested to have exclusive project work in the IV semester for the better enhancement of research skills in students.

2. Feedback from the Students:

Student require classroom facilities, more text books and online resources. Student request more Tamil Geography Text Books.

3. Interaction with Faculty members and the impressions

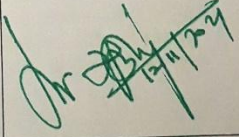

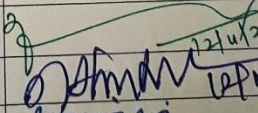

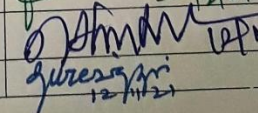

Faculty members expect more number of computers to the lab and classroom.
Faculty members expect to procure some GIS software for teaching.
Academic year fund Allotment to the lab and library to be raised.

4. Comments of the Visiting Team on the overall performance

Department require more faculty members to conduct theory and practical classes regularly. . To handle the lab related activities regularly sufficient permanent or temporary Staffs to be appointed. Geography is a field oriented subject hence the field trip or education tour should be organized every year (one day)

5. Recommendations (if any) of the Visiting Team:

Most of the students have failed in part II, Hence, special attention to be given. Geography is quite suitable subject for competitive examinations and various state and central government jobs. Hence, the students can be trained to face the competitive examinations. To elucidate the existing employment opportunities to the students in this field.. Teaching learning methodology to be improved according to the changing trend in this field.

ACADEMIC AUDIT EVALUATION REPORT

1. Performance of the Department

Staff profile	Very good	Good	✓ Satisfactory	Not satisfactory
Examination	Very good	Good	✓ Satisfactory	Not satisfactory
Association	Very good	Good	✓ Satisfactory	Not satisfactory
Infrastructure	Very good	Good	✓ Satisfactory	Not satisfactory
Overall Performance	Very good	Good	✓ Satisfactory	Not satisfactory

*Teaching learning & Research

2. Feedback from the students

Students of Department of Physics had interaction with the visiting team member and expressed their satisfaction over the conduct of classes and practicals. Few of the students expressed that an Industrial visit during the program may help them to get exposure on application of Physics in industrial sectors. Also, the credits earned through MOOC or other nationally/internationally recognized agencies be included as extra credits. Remedial classes can be arranged for slow learners and students may be encouraged to participate in Intercollegiate Physics Competitions.

3. Interaction with Faculty members and the impressions

Interaction with the faculty members brought out several academic achievements earned by the department in the last two years. It is noteworthy to mention that many of the faculty members are engaged in research activities at Ph.D level which earned good number of publications in peer reviewed journals. They are very much co-operative and ready to work for the upliftment of students as well as the department.

4. Comments of the Visiting Team on the overall performance

Overall performance of the department is good in teaching as well as in research. Two minor research projects were completed during 2020-2021 and 25 papers have been published in reputed International/National journals with good impact factors (2019-2020: 9 and 2020-2021: 16). Six papers have been presented in International/National Conferences/Seminars (2019-2020:3 and 2020-2021:3). The faculty members have been actively participating in several national and international conferences and being served as reviewers and resource persons apart from participating as member in different academic bodies.

The faculty members are also having research collaborations with Sastra University, Tanjore, SRM University Chennai, Kalasalingam University, Srivilliputhur, NPL, New Delhi and Sacred Heart College, Vellore.

Research Consultancy has been provided to academicians of other institutions by extending research instruments like UV-spectrometer, Solution growth apparatus, Dielectric setup and Optical microscopy.

5. Recommendations (if any) of the Visiting Team

1. A stand alone 15KVA UPS is very much essential to feed the uninterruptable power during the practical hours.
2. More number of experimental apparatus are needed.
3. Class rooms may be facilitated with smart audio visual aids with internet connectivity.
4. More number of faculty members be encouraged to apply for major research projects with the allotment of individual laboratory space to conduct research.

2. Feedback from the students:

During my visit, I met the students and scholars and enquired about the departmental activities. They answered we are very happy to study in this department. All the faculty members are motivated to the students.

3. Interaction with Faculty members with impressions:

All the faculty members are qualified, dedicated and motivated to students and scholars. During the interactions with faculty members, they are keen interest in teaching and research work.

4. Comments of the visiting team on the overall performance:

I am happy to evaluate the academic audit report based on the performance of the faculty members. 13 Webinars were organized and participated more than 78 Seminars/Conferences.

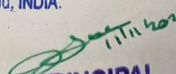

5. Recommendation (if any) of the visiting team:

- * I suggest to fulfill the existing vacancies.
- * I recommend to provide class room facilities with smart class based on the increased students strength.
- * I recommend to provide research grants to the faculty members for the benefit of young generations.
