From the Principal's Desk

Education is not the filling of a Pail but the lighting of a Fire. - W.B. Yeats

Periyar E.V.R. College is committed to serve the economically backward and socially underprivileged students from the rural areas. The college has an open admission policy and is focused on educational excellence and the achievement of equity among the various populations served.

The College strives to promote in students a sense of responsibility for their own development and an understanding of their own obligations as members of a democratic society. The College fosters in students the desire to learn, the ability to think clearly and express them effectively, the habit of analytical and reflective thought, and an awareness of themselves, their heritage and their environment.

Helping every student to achieve success is our highest priority. We are committed to promote and provide an environment conducive to teaching and learning; creating and expanding educational opportunities and support services is paramount to our mission. Also we genuinely seek to uphold the highest standard of ethics.

The College provides career programmes to prepare students to enter the workforce needs. Periyar EVR College upholds the culture of Scholarship, Leadership and Service.

VISION

To provide Higher Education to the socially and economically weaker sections and to empower them to live with dignity and honour.

MISSION

- *To impart knowledge and skills through Higher Education.*
- *To make the students aware of their social responsibilities.*
- *To develop the students' individual personality to meet global challenges.*
- *To enhance the employability competence of the students.*
- *To achieve the communal harmony.*
