More than hundred participants from various districts of Tamil Nadu had registered and participated in the webinar. Some from other states of the country and a participant from Sri Lanka had also actively participated in this webinar. The participants included students, research scholars, faculty members from different colleges, people from Media Industries. The session dealt with the art of storytelling through photographs mainly on the culture and lifestyle of Argentina. The resource person had also displayed photographs depicting the culture and emotions of Indian lifestyle that had lead the session more interestingly.

During the session the resource person had discussed on cultural and ethical values while photographing images. He explained the real concept of storytelling and how each and every photograph has a story in it. He had nurtured the participants with the preparation to be followed while photographing travel photography. The session turned to be very informative and interactive when the feedback session was initiated. The participants had actively posted their questions and their opinions on the photographs displayed by the resource person and it were answered by him very patiently. The session was concluded by the Vote of Thanks delivered by Dr. I. Senthila Devi, Assistant Professor, PG and Research Department of Visual Communication.

Some of the participant feedback

- Selection of speaker & topic was excellent. He presented the topic very well & touched upon all the aspects of visual storytelling
- The session was real experiencing the life the Latin American, while seeing the photographs it's seems like story with the culture of them
- Nice experience about visual communication.
- Good session. Thank you so much Sir
