Report on One Day National Seminar : Data Mining Concepts & Techniques

The One Day National Seminar on Data Mining Concepts & Techniques was jointly organized by the Department of Statistics of our college and Thanthai Periyar Government Arts & Science College on 7th, May 2022 in Jubilee hall. The programme started at 9.30 am with the welcome address by Dr. Lilly George, Head of the department of Statistics. The inaugural address was given by Rev. Dr. M. Arockiasamy Xavier SJ, Principal of our college and Dr. J. Suganthi, Principal, Thanthai Periyar Government Arts & Science College, Trichy. A total of 280 students from all over TamilNadu, participated in the seminar. Two sessions have been arranged in the seminar. The first session resource person Dr. K.M. Sakthivel, Associate Professor of Statistics, Bharathiar University, Coimbatore. was introduced by Dr. J. Glorypersial, Assistant Professor of Statistics. The resource person addressed the gathering and delivered the lecture on Machine Learning Techniques for Data Analysis. He answered the queries raised by the participants. The second session started with the resource person introduction which was done by Dr. A. Philip Arokiadoss, Assistant Professor of Statistics of our college. Dr. S. Nickolas, Professor of Computer Applications, National Institute of Technology, Trichy delivered the lecture on Data Mining for Business Intelligence. The valedictory function started from 4.00 pm with the welcome address given by Dr. B. Senthil Kumar, Assistant Professor, TPGC, Trichy. The participants gave their feedback. Dr. A. Megala, Joint Director, Directorate of Collegiate Education, Trichy Region delivered the Valedictory Address. Certificates were distributed to the participants. Finally, Dr. Lilly George, Head of the department of Statistics proposed vote of thanks.

Dr. Lilly George, M.Sc., M.Phil., Ph.D.
Assistant Professor & Head
Department of Statistics
St. Joseph's College (Autonomous)
Tiruchirappalli - 620 002.

Programme Schedule

Date: 07.05.2022

Venue: Jubilee Hall, SJC.

08:30 AM Registration

09:30 AM Inauguration
Inaugural Address:

Rev. Dr. M. Arockiasamy Xavier SJ
Principal, St. Joseph's College, Trichy.

Dr. J. Suganthi
Principal, Thanthai Periyar Govt.
Arts & Science College, Trichy.

10:00 AM Invited Talk - I :

Dr. K. M. Sakthivel
Associate Professor of Statistics,
Bharathiar University, Coimbatore.

Topic: Machine Learning Techniques for Data Analysis

11:30 AM Photo Session & Tea Break
11:45 AM Invited Talk - I Continues
01:00 PM Lunch Break
02:00 PM Invited Talk - II

Dr. S. Nickolas
Professor of Computer Applications,
National Institute of Technology, Trichy.

Topic: Data Mining for Business Intelligence

04:00 PM Valediction
Valedictory Address:

Dr. A. Megala
Joint Director,
Directorate of Collegiate Education,
Trichy Region.

Rev. Dr. S. Peter SJ
Secretary, St. Joseph's College, Trichy.

Dr. J. Suganthi
Principal, Thanthai Periyar Govt. Arts &
Science College, Trichy.

Patrons

Rev. Dr. Leonard Fernando SJ
Rector

Rev. Dr. S. Peter SJ
Secretary

Rev. Dr. M. Arockiasamy Xavier SJ
Principal, St. Joseph's College, Trichy

Dr. J. Suganthi
Principal, Thanthai Periyar Govt. Arts & Science College, Trichy

Conveners

Dr. Lilly George
Head, Department of Statistics, St. Joseph's College, Trichy

Dr. H. Alexis Selvaraj
Head, P.G. & Research Department of Statistics,
Thanthai Periyar Govt. Arts & Science College, Trichy

Organizing Secretaries and Members

Dr. R. Vijaya Kumar
Dr. J. Glorypersal
Dr. T. Venkatesan
Dr. A. Philip Arokiadoss
Assistant Professors, SJC

Dr. S. Sasikala
Dr. S. Bharathidass
Dr. A. Kachimohideen
Dr. B. Senthil Kumar
Dr. M. Balasubramanian
Dr. S. Bhuvaneshwari
Assistant Professors, TPGC

Resource Persons

Session I

Dr. K. M. SAKTHIVEL
Associate Professor of Statistics
Bharathiar University, Coimbatore

Topic: "Machine Learning Techniques for Data Analysis"

Session II

Dr. S. NICKOLAS
Professor of Computer Applications
National Institute of Technology, Trichy

Topic: "Data Mining for Business Intelligence"

For further details contact

Dr. J. Glorypersal (+91 99444 52400)
Dr. A. Philip Arokiadoss (+91 99442 98134)

St. JOSEPH' S COLLEGE (Autonomous)

Accredited at A++ Grade (4th Cycle) by NAAC
Special Heritage Status awarded by UGC
College with Potential for Excellence by UGC
DBT-STAR & DST-FIST sponsored College,
Tiruchirappalli – 620 002. Tamil Nadu, India.

THANTHAI PERIYAR GOVERNMENT ARTS & SCIENCE COLLEGE (Autonomous)

Accredited at A by NAAC (3rd Cycle)
DST - FIST Funded Institution
Tiruchirappalli – 620 023. Tamil Nadu, India.

DEPARTMENT OF STATISTICS of these colleges jointly organize One Day National Seminar on

DATA MINING CONCEPTS & TECHNIQUES (NSDMCT - 2022)

Date: 07th May 2022 (Saturday)

Venue: Jubilee Hall
St. Joseph's College (Autonomous)
Tiruchirappalli – 620 002

ABOUT THE COLLEGES

St. Joseph's College (SJC), Tiruchirappalli in Tamil Nadu, India, was established in 1844 by the Society of Jesus (Jesuits) and it is regarded as one of the prestigious institutions in India. True to its Nobel ideal, "Pro Bono Et Vero" (for the Good and the True), St. Joseph's College has always upheld and radiated Goodness and Truth in its endeavor to impart quality in higher education. It was affiliated with Madras University in 1869 and is currently an affiliated first-grade college of Bharathidasan University. The College celebrated its centenary in 1944, sesquicentenary in 1995 and acquired the Five Star status, awarded by NAAC in 2000. It was recognized by UGC as a College with Potential for Excellence (CPE) in 2004 and was Reaccredited by NAAC with A+ Grade in 2006. And it has the heritage college status as one among 12 colleges in India in 2016, which is given by the Government of India. The college celebrated its Dodransbicentennial in 2018. The College is the first autonomous Arts and Science College in the country to secure the prestigious A++ rank for the fourth cycle of accreditation by the National Assessment and Accreditation Council (NAAC) in 2019. The College has produced a number of rare and remarkable geniuses, of whom the crown is the Former President of India, His Excellency, Bharat Ratna Dr. A.P.J. Abdul Kalam. St. Joseph's takes genuine pride in mentioning such a handful from the vast number of luminaries who had received their education in this College. This educational establishment has been instrumental in churning out thousands of truly educated persons, physically fit and intellectually well equipped. Thus, this College stands for what is best in education.

In the year 1965, the government of Tamil Nadu started **Periyar EVR College** in Tiruchirappalli, the central part of Tamil Nadu, naming it after the great thinker and social reformer Thanthai Periyar. Half a century ago, higher education was beyond the reach of the oppressed and economically marginalized younger generation in and around Tiruchirappalli. To cater to the educational requisites Thanthai Periyar, the visionary leader of the Justice Party and a well-known social reformer of Tamil Nadu, generously donated 9.65 acres of his land and Rs. 3.5 lakhs and requested the Tamil Nadu government to start a college at Tiruchirappalli. Utilizing the philanthropic help of Thanthai Periyar the government of Tamil Nadu started a government college at Race course road, Khaja Nagar, Tiruchirappalli during the academic year 1965-1966 and named it Periyar EVR College in honor of the leader. Then chief minister of Tamil Nadu, Honourable M. Bhaktavatsalam inaugurated the college on 24/08/1965. The college attained autonomous status during 1998-1999. Now we offer 15 undergraduate and 16 postgraduate programs in addition to 14 MPhil programmes. 13 of our apartments have been recognized as potential research centers by Bharathidasan University Tiruchirappalli. A special shift system (SSS) was introduced in the year 2006 by the state government policy of education with the available infrastructure. During this academic year, the name of Periyar E.V.R college has been changed by the Tamil Nadu government to **Thanthai Periyar Government Arts and Science College (TPGC)**, Autonomous, Tiruchirappalli- 23.

ABOUT THE DEPARTMENTS

The Department of Statistics, SJC was started in 1978, in which year the autonomy was granted to our College. Our department became a PG Department in 1998. In rapid succession, the department got recognition as a Research Department by the Bharathidasan University in 1999 with the introduction of M.Phil. Programme and Ph.D. programme. The Department of Statistics helps the students to acquire the conceptual, computational, and Statistical tools for quantifying uncertainty and making sense of complex data arising from many disciplines. During the internship training, the students are exposed to real-life statistical applications where they refine the concepts learned in the classroom and hone their skills to define, diagnose, and analyse specific decision-making problems that seek suitable interpretation from them. The department has signed linkages with Public and Non-Public organizations for our student's internship training / Group projects. The department has produced many outstanding students with university ranks. All the faculty members possess Ph.D. and publish many papers regularly. The faculty members of the yesteryears have contributed significantly to the establishment and growth of the department. In memory of them, the Statistics Alumni Association instituted the Endowment lectures in the name of Dr. G. Stephen Vincent, Dr. N. Ramasamy, Prof. K. A. Jayakumar, Dr. K. Shanmuga Vadivel, and Dr. C. Muthu. Every year eminent speakers are invited to deliver lectures on selected topics for the benefit of the students.

The Department of Statistics, TPGC was established with B.Sc. statistics in 1980- 1981. M.Sc. statistics was introduced in 1995- 1996. The department was recognized as a research department in 1994- 1995 with M.Phil. full time and part-time and Ph.D. part-time degree programmes. The objective of the course is to produce dynamic and potential statisticians and inculcate moral, social and ethical values to become good Indian citizens. The curriculum includes practical applications of statistics in various fields. The department is well equipped with a furnished computer laboratory with the required software for practical training for the students. The department library is housed nearly 2,500 books. Multimedia LCD projector facilities are available in the department. The staff members are effectively utilizing ICT tools to prepare teaching and learning materials for all the subjects of UG, PG and MPhil programmes. The department has seven regular teaching faculty members. They are appointed by the government of Tamil Nadu and recruited through the teacher's recruitment board. All are Ph.D. holders. The faculty members act as mentors guiding the students to develop the necessary subject knowledge and social skills required to become a successful person in society. They are also involved in research activities in various fields like Statistical Quality Control, Statistics Inference, Bio-Statistics, Applied statistics, Stochastic processes, etc. The department often organize seminars, meetings and invited lectures.

ABOUT THE SEMINAR

Now-a-days statistics plays an important role in the field of Research, which is the language of Data. Data is available such as quantities, characters, or symbols on which operations are performed by a computer which may be stored and transmitted in the form of electrical signals and recorded on magnetic, optical, or mechanical recording media in large data. Analysing research data is a tedious task. This seminar will help the participants to analyse research data on a suitable statistical tool through data mining.

Objectives of the Seminar

- To help the participants to familiarise with the Statistical concepts and their application in the field of Big Data analysis.
- To motivate the students in the field of Data Mining.
- To facilitate the establishment of a network of Researchers.

ELIGIBLE PARTICIPANTS

UG / PG Students, Research scholars, Faculty members and Industrialist
(All Discipline)

REGISTRATION FEE

UG / PG Students	- Rs. 300
Research Scholars	- Rs. 500
Faculty/Industrialist	- Rs. 500

* The Registration fee includes a working lunch, Seminar kit, Refreshments, and Participation Certificate.

Registration Form Link

Participants can use the link below to confirm your presence.
