Due to pandemic situation, the functioning of the placement cell was disturbed since March 2020. After the reopening of the online/offline classes of the students, the Principal took actions for the regular functioning of the Training and Placement Cell. She spoke with the district employment officer and took initiative to train the students

for all the competitive examinations to be conducted by Tamil Nadu Government due to which awareness about placement was inculcated within the students.

Along with Trichy District Employment and Career Guidance Center, free special coaching classes for cracking TNPSC and SSC competitive exams are being conducted from 17th November 2021. In these classes more than 250 students registered themselves and the classes were conducted in offline and/or online modes. Further, it is being planned to conduct a career exhibition to enlighten the students on the various employment opportunities available in different avenues.

Free coaching classes were conducted by the District Employment and Career Guidance Center for the aspirants of TNUSRB posts, for which notifications were issued and the last date for online applications was 15/08/2022.

Under the Naan Multhalvan scheme of the Tamil Nadu Government, Tata Consultancy Services(TCS) conducted a national qualifier test in which our students also participated. 35 of our students got selected in the national qualifier test. The selected students are undergoing special job oriented online courses conducted by TCS. After successful completion of the course, the students will be offered placements.

A company named AlterEm Media Private Ltd. Conducted campus interview in our college through its Trichy branch on 27/04/22. As many as 51 students were shortlisted for the BPO placements.

Department-wise whatsapp groups have been formed. Information regarding the employment opportunities, whenever available is communicated to the students. Students are encouraged and motivated to make use of the opportunities.

Monthly magazines for competitive examinations, provided by the District Employment and Career Guidance Center, are kept in the reference section of the college library for the benefit of the students.

Employment opportunity details from a number of organizations are received every now and then and communicated to the students. The students are encouraged to apply for the opportunities suitable to them. Further, it is planned to conduct campus interviews according to the availability of the companies in near future.

In association with Trichy District Employment and Career Guidance Center, a career guidance exhibition was conducted on 02/03/22. The district Collector Mr. Sivarasu gave away the prizes to the students who won first and second places in elocution, essay writing and debate competitions held on 28/02/22. The RJD of Trichy Region, Dr. A. Mekala inaugurated the career guidance book exhibition.
