### Recommendations of Research Ethics Committee

The following code of Research Ethics must be strictly adhered to by the Research Scholars and Supervisors.

- Maintain and follow research ethics of higher authorities such as Tamil Nadu state council of Higher Education, Directorate of collegiate education, affiliating university and funding agencies.
- Protection of humans, animals and environment must be ensured with respectable manner.
- As per the direction of UGC, all the doctoral research scholars must undergo Research and Publication Ethics as a compulsory course work paper to completion of their research work.
- Usage of live animals for UG and PG zoology practical classes must be avoided. Students must be trained by virtual laboratory mode.
- Before submission of research thesis to university, research work should be checked similarity with the help of URKUND/Turnitin/Original software and the thesis similarity should be less than 10% will be allowed to submit to the university.
