BOARD OF STUDIES MEETING ON 15.05.2023

The Board of studies meeting to revise the existing syllabus as per TANSCHÉ syllabus and to restructure the curriculum as student-oriented, skill-based, and institution-industry-interaction curriculum with the various courses under "Outcome Based Education with Problem Based Courses, Project Based Courses, and Industry Aligned Programme" within the framework of CBCS and Outcome Based Learning general pattern for B.Sc. Mathematics and M.Sc. Mathematics are discussed in detail. Title, content, program outcomes, program specific outcomes, course outcomes, course objectives and percentage of revision from existing syllabus are also discussed. More than 75% of TANSCHÉ syllabus is followed. The Board has decided to implement the new syllabus from the academic year 2023-2024 with the concurrence of both internal and external board members.

Courses:

- 1. B.Sc. Mathematics - Major**
- 2. B.Sc. - Allied Mathematics for Physics, Chemistry, Computer Science Statistics and Computer Applications**
- 3. Non-Major Electives for B.Com.**
- 4. M.Sc. Mathematics**

TANSCHÉ syllabus is followed throughout Tamilnadu to enhance the mobility of the students and to standardise the syllabus.

The meeting focused on reviewing and updating the previous syllabus. The new syllabus is framed based on TANSCHÉ. The newly framed UG and PG syllabi have more than 80% content of TANSCHÉ syllabus.

The following updates are to be made in the syllabus as suggested by the subject expert Dr. A. T. Ravichandran and all the staff members present in the meeting.

PG COURSE

Sl. No	Subject Code	Semester	Title of the paper	Revision suggested
1	23PPH1C4	I	Analog and Digital Electronics	Unit II: Applications to be included, Unit IV: Title to be changed
	23PPH1C2		Mathematical physics	Major changes are made in all the 5 units as per TANSCHÉ
2	23PPH2C6	II	Numerical methods and C-Programming	Unit-III: Content to be enhanced C-programming to be made two units instead of 1 unit Major changes are made in all the 5 units as per TANSCHÉ
3	23PPH3C11	III	Nuclear Physics	Unit V- Conservation laws to be elaborated
4	23PPH3P12	III	Practical –III	Equal weightage to be given in both sections - More experiments to be added in C-programming
5	23PPH4P14	IV	Practical –IV	Equal weightage to be given in both sections - More experiments to be added in Microcontroller 8051

1	23PH1C1	I	Properties of matter	Unit IV: Waves and oscillations to be included instead of Gravitation
2	23PH2C3	II	Heat and thermodynamics	The paper is shifted to II semester as per TANSCHÉ
3	23PH3C4	III	Mechanics and Relativity	The paper is shifted to III semester as per TANSCHÉ
4	23PH3DSE1	III	Energy Physics	Unit V- Lithium ion battery is to be included
5	23PH5DSE2	V	Numerical methods and C-programming	Instead of only C-programming in the previous syllabus, numerical methods are also included in the paper
7	23PH5C7	V	Electricity, Magnetism and Electromagnetism.	They are not in TANSCHÉ, but included in our UG curriculum
	23PH5C9		Basic Electronics	
8	23PHNME2	V	Astrophysics	V unit is entirely modified
6	23PH6C15	VI	Laser and Fibre optics	It is considered as a core paper

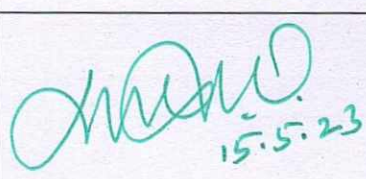

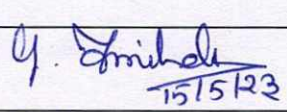

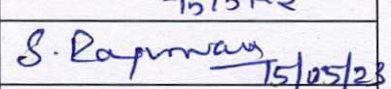

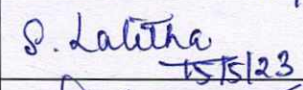

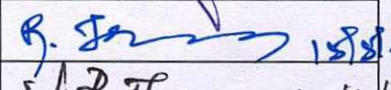

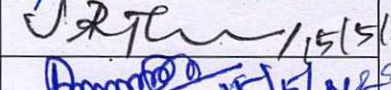

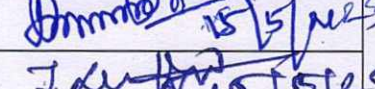

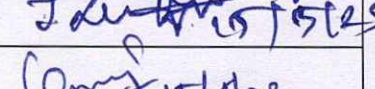

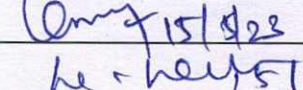

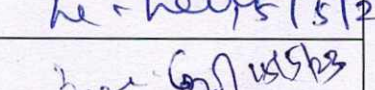

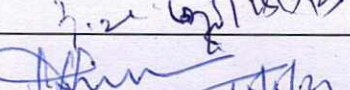

Finally, the subject expert Dr. A. T. Ravichandran appreciated the efforts taken by all the staff members in framing the curriculum and the meeting was concluded with the vote of thanks given by Dr. P.Sivakumar.

Proceedings of the Board of Studies meeting

Dr. P.Pandian, Chairman of the Board of Studies and HOD of Chemistry, Thanthai Periyar Government Arts and Science College (Autonomous), Tiruchirappalli chaired the meeting and welcomed the members.

After a brief introduction, the agenda items were taken up for discussion and the following resolutions were passed.

Item No.1: Review of Syllabi for I, II, III and IV Semesters of M.Sc. Chemistry Programme (for the batch of students to be admitted from the academic year 2023-2024).

- ❖ Resolved to follow the syllabi based on model syllabi provided by TANSICHE for M.Sc. Chemistry Programme.
- ❖ Resolved to follow the enclosed Course Pattern for M.Sc. Chemistry Programme.
- ❖ The syllabi to be followed for M.Sc. Chemistry Programme were placed for scrutiny of members of the Board.
- ❖ The Board suggested some additions and deletions in the proposed syllabi and approved the same for M.Sc. Chemistry Programme.
- ❖ Resolved to make minor changes in the existing syllabi for Practicals.
- ❖ Resolved to convert two Core courses to two Core Practical courses in Semester I and Semester II.
- ❖ Resolved to follow the existing question paper pattern for M.Sc. Chemistry Programme for all Theory Papers.
- ❖ Resolved to follow the practical examination marks as Internal marks-40 and External marks-60 for Post Graduate Programme as per Bharathidasan University norms.
- ❖ Resolved to have the four Skill Enhancement Courses (SEC) in the following semesters:

I Semester	SEC – I	: Chemistry in Everyday Life
II Semester	SEC – II	: Cosmetic Chemistry
III Semester	SEC – III	: Research Tools and Techniques
IV Semester	SEC-IV	: Industrial Chemistry

HEAD OF THE DEPARTMENT
PG & RESEARCH DEPT. OF CHEMISTRY
Thanthai Periyar Government
Arts & Science College (Autonomous)
Tiruchirappalli - 620 023

- ❖ Resolved to have the four Core Based Electives (CBE) as Discipline Specific Electives (DSE) in the following semesters.

II Semester	CBE- I (DSE-I)	:	Bioinorganic Chemistry (OR) Pharmaceutical Chemistry
III Semester	CBE-II (DSE-II)	:	Electrochemistry (OR) Material Science
III Semester	CBE-III (DSE-III)	:	Molecular Spectroscopy (OR) Green Chemistry
IV Semester	CBE-IV (DSE-IV)	:	Biomolecules and Heterocyclic Chemistry (OR) Polymer Chemistry

- ❖ Resolved to have the two Non-Major Electives in the following semesters for the specified Departments.

II Semester	NME-1	:	Chemistry for Social Studies (OR) Chemistry in Food Preservation	Department of Physics
III Semester	NME-II	:	Chemistry in Consumer Products (OR) Chem informatics, Drugs & Health Chemistry	Department of Statistics

The Board, after careful review and revision, resolved to approve the modified syllabi and question paper patterns for M.Sc. Chemistry Programme (for the batch of students to be admitted from the academic year 2023-2024), as appended.

Item No.2: Review of Syllabi for I, II, III, IV, V and VI Semesters of B.Sc. Chemistry Programme (for the batch of students to be admitted from the academic year 2023-2024).

- ❖ Resolved to follow the syllabi based on model syllabi provided by TANSICHE for B.Sc. Chemistry Programme.
- ❖ Resolved to follow the enclosed Course Pattern for B.Sc. Chemistry Programme.
- ❖ The Syllabi to be followed for B.Sc. Chemistry Programme were placed for scrutiny of members of the board.
- ❖ The Board suggested some additions and deletions in the syllabi of B.Sc. Chemistry theory and practical courses.
- ❖ Resolved to conduct the Semester VI practical examination for six hours instead of three hours.
- ❖ Resolved to have the following courses as non-major elective courses for II B.Sc. Physics and III B.Sc. Physics, II B.Sc. Computer Science (Shift II) and II B.A. English (Shift II), and III B.Sc. Computer Science (Shift II).

III Semester	NME-1	:	Role of Chemistry in daily life (OR) Dairy Chemistry	Department of Physics, Computer Science & English
V Semester	NME-II	:	Food Chemistry (OR) Cosmetics and Personal Grooming	Department of Physics and Computer Science

- ❖ Resolved to follow the practical examination marks as Internal marks-40 and External marks-60 for Under Graduate Programme as per Bharathidasan University norms.
- ❖ Resolved to change the nomenclature of Allied and Core Major Elective Courses as Generic Elective Course (GE) and Discipline Specific Elective (DSE) Courses.
- ❖ Resolved to follow the existing question paper pattern for major core courses, allied courses, and major and non-major electives (Discipline Specific Electives).
- ❖ Resolved to introduce “Naan Muthalvan” Courses in Semesters II, IV and VI as Ability Enhancement Compulsory Courses (AECC).
- ❖ Resolved to introduce “Soft Skill Development” paper in the fifth Semester as per Bharathidasan University norms.
- ❖ Resolved to follow any one of the following Additional/Extra Credit Courses (ECC) as an optional course during the B.Sc. Chemistry Programme:
 - ✓ Health is Wealth: Theory and Practices
 - ✓ Climate change
 - ✓ Entrepreneurship skills in domestic and cosmetology.

MINUTES OF BOARD OF STUDIES – MAY 2023

UG and PG Botany Board of Studies (2023 onwards) meeting was held on **15.05.2022**. The meeting was convened by the Chairperson **Dr. R. Sarala**, Head, Department of Botany, Thanthai Periyar Govt. Arts and Science College with **Dr. S. Kala**, Associate Professor of Botany from **Seethalakshmi Ramasamy College (A), Trichy** as Subject Expert and the Faculty of Botany Department, Thanthai Periyar Government Arts and Science College (A) as members.

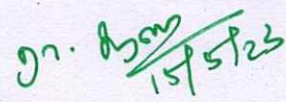

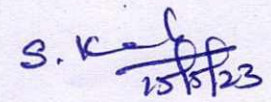

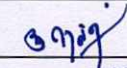

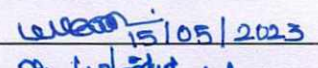

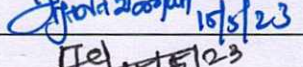

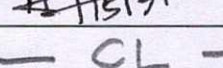

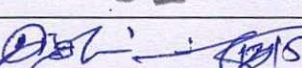

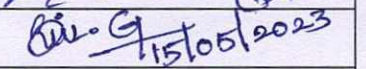

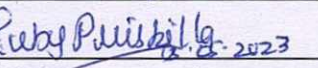

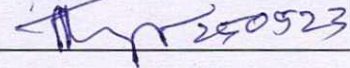

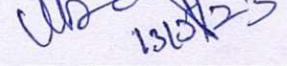

The syllabus for B.Sc. and M.Sc. Botany applicable for those students admitted from the academic Year 2023 – 2024 was presented before the members in detail. The content of the Syllabus was compared with the Model Syllabi for B.Sc. Botany and M.Sc. Botany prescribed by TANSCH, Chennai was considered and adopted with minor modifications. Care was taken to ensure that the content remains broad based and updated.

The suggestions of each and every member of the Board of Studies were critically analysed & considered after a healthy discussion, which resulted in an academically rich syllabus. The members commented that the syllabus will enable the faculty to update their knowledge and the students to compete with others in various competitive examinations and job opportunities.

The members were highly impressed by the syllabus which covered the classical and modern areas of Botany with their application. The syllabus for B.Sc. and M.Sc. Botany was approved by the Board of Studies members after careful examination of the papers.

MINUTES / RESOLUTIONS

1. Resolved to adopt the revised syllabi for the Semesters I-VI of the B.Sc Zoology programme and Semesters I- IV of the M.Sc Zoology Programme from the academic year 2022- 2025.
2. The board is of the opinion that there is change in the existing course patterns for Undergraduate and Post graduate Programmes (B.Sc: 142 credits and M.Sc: 90 credits), since they conform to the guidelines of Bharathidasan University.
3. The UG and PG syllabi was modified according to the TANSCHÉ syllabi.
4. The syllabi for the courses B.Sc and M.Sc Programmes were approved by the board meeting, and are to be continued in the successive years as well, till the next Board of Studies updates the syllabi.
5. The syllabi of all the Core Courses, Major Electives, Skill Based Electives, Discipline Specific Electives and Non Major Electives of the Undergraduate Programme were thoroughly scrutinized for their course content, comprehensiveness and relevance in skill development and then approved.
6. The syllabi of the Core Courses and Core Based Electives of the M.Sc Programme have also been discussed in the light of their current relevance and research orientation and approved.

07) Dr. R.Parimala, Asst. Prof. in Computer Science
08) Dr. T.Senthil Selvi, Asst. Prof. in Computer Science
09) Dr. T.N.Ravi, Asst. Prof. in Computer Science

The proposed syllabi was discussed in detail, and the following have been resolved.

B.Sc. Computer Science:-

- 1) Resolved to include atleast one optional course for ME-I, ME-II & III as Discipline Specific Electives(DSE) in V and VI Semesters.

The proposed titles are as follows:-

ME-IA	:	Digital Electronics and Computer Organization.
ME-IB	:	Digital Computer Fundamentals.
ME-IIA / DSE-IIIA	:	Discrete Mathematics
ME-IIB / DSE-IIIB	:	Introduction to Data Science.
ME-IIIA / DSE-IVA	:	Computer Graphics
ME-IIIB / DSE-IVB	:	Multimedia Systems

- 2) Resolved to include atleast one optional course for NME. The proposed titles are as follows:-

[Handwritten signature]

NME-IA : Fundamentals of Information Technology
NME-IB : Fundamentals of Problem Solving Techniques.
NME-IIA : Fundamentals of Web Designing.
NME-IIB : Documentation and Spread Sheet.

- 3) Resolved that the following new courses are introduced in Semester IV and V to facilitate NMSDC
 - a) Fundamentals of Python Programming
 - b) Advanced Python Programming
- 4) Resolved to change the title of the following Courses:-
 - a) Semester-I:- SBE-I "Fundamentals of Computer Science" as "Foundation Course in Computer Science"
 - b) ME-I "Introduction to Computer Organization" as "Digital Electronics and Computer Organization".
- 5) Optional Extra/Additional paper will be decided by Academic Council
- 6) Suggested to conduct practical examinations at the end of each semester for the First and Second years as per TANSCHEScheme.

M.Sc. Computer science:-

- 1) Resolved to introduce the following new courses as per TANSCHES:-

a) Core-II	Cloud Computing	e) SEC-I	HTML & CSS
b) Core-XII	Machine Learning	f) SEC-II	JavaScript
c) Core-XIII	Statistical Analysis using R	g) SEC-III	PHP
d) CBE-I	Internet of Things	h) SEC-IV	Principles of Web Services
- 2) Resolved to include additional Lab Exercises in the following courses and also to change the titles of the courses based on SEC courses.
 - a) "Advanced Java Programming Lab" as "Advanced Java Programming and HTML Lab"
 - b) "SQL Lab" as "SQL and JavaScript Lab"
 - c) "R Programming Lab" as "Statistical Analysis using R and PHP Lab".
- 3) Resolved to include Extension Activity as a course as per TANSCHEScheme.

M.Phil. Computer Science:-

- 1) Resolved to follow the existing subjects and pattern of question papers for M.Phil.

Minutes of the Board of Studies Meeting

The Board of Studies for B.Sc. and M.Sc. program in Visual Communication was held on 28.06.2023 at the Department of Visual Communication, at 10 a.m. The Board was held mainly to discuss and incorporate the proposed TANSCHÉ model syllabus to the present syllabus of both the Under-Graduate and Post-Graduate curriculum of Visual Communication for the academic year 2023-24.

The following members were present:

1.	Dr.M.Blessy Assistant Professor and Head PG and Research Department of Visual Communication Thanthai Periyar Government Arts and Science College (Autonomous), Trichy 620023	Chairperson
2.	Dr.Hemamalini Assistant Professor and Head Department of Visual Communication Thiru.Va.Ka. Government Arts and Science College Thiruvarur	University Nominee
3.	Dr.I.Senthiladevi Assistant Professor PG and Research Department of Visual Communication Thanthai Periyar Government Arts and Science College (Autonomous), Trichy 620023	Member

The following are the observations of the Board:

1. The proposed TANSCHÉ model syllabus for B.Sc. and M.Sc. Visual Communication has most of the Visual Communication core papers diluted at the UG level and mostly deleted at the PG level. A lot of digitalization of the curriculum has been emphasized.
2. The syllabus has been oriented specifically towards Multi-media and Animation.
3. This makes the employability of the students to be focused mainly on Multi-media and Animation fields, which is a major shift from the broad job opportunities that Visual Communication course had been offering all these years.
4. Even the theoretical papers have been focused on computer-mediated communication.
5. The unitization in almost all papers is either too heavy or too less, it also lacks proper clarity. There is no uniformity in arrangements of units in many papers.
6. As the M.Sc. program is open to all Under-Graduate major students, the proposed TANSCHÉ model syllabus for M.Sc. Visual Communication is a big challenge, as it heavily relies on technical computer-oriented papers from the 1st semester itself.
7. With such vast difference in both the UG and PG curriculum, the issue of 75 percent similarity in the curriculum was discussed and deliberated.
8. As of now, the NET and SET exams are available only in Mass Communication and Journalism discipline, because of which the Visual Communication syllabus all over Tamilnadu had a combination of communication theory papers and technical papers so as to enable students to perform well in the above -mentioned exams. But as of now, the students will not be able to attempt the NET or SET examination based on the proposed TANSCHÉ Visual Communication model syllabus due to its high inclination towards computer mediated communication papers.
9. The availability of infrastructure to implement the new course after incorporating the TANSCHÉ model syllabus was also debated.

The following are the resolution passed by the Board:

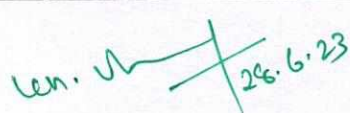

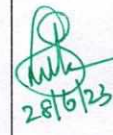

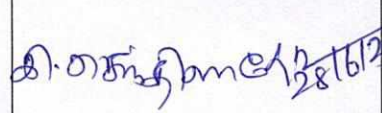

1. The proposed TANSCHÉ Model syllabus for both UG and PG program in Visual Communication needs clarity and re- structuring.
2. As the proposed model syllabus specializes mainly in multi-media and animation and has completely changed the keys elements that have been taught in Visual Communication for the past 20 years in Thanthai Periyar Government Arts and Science College, the board resolves to follow the existing syllabus of both UG and PG Visual Communication and fit it into the college recommended TANSCHÉ course structure for science stream only for the first year of the academic year 2023-2024
3. As and when the proposed TANSCHÉ syllabus is restructured and more clarifications are obtained, the board will incorporate the necessary changes from the next academic year.

Minor corrections done in the M.Sc. Syllabus to accommodate the college recommended TANSCHÉ course structure for science stream are as follows

- The choice based elective paper - Visual storytelling and analysis has been accommodated in Core IV of the first semester.
- Advertising Campaign has been accommodated as SEC 1-P in the first semester.
- Design Production has been shifted as Core V practical in the first semester.
- The choice based elective paper - Digital Media and Community Reporting has been accommodated in Core VIII of the second semester.
- The choice based elective paper - Media and Environment Communication has been accommodated in DSE I of the second semester.
- Creative Art has been accommodated in SEC II-P in the second semester.

Minor corrections done in the B.Sc. Syllabus to accommodate the college recommended TANSCHÉ course structure for science stream are as follows

- Folk media which was offered as self-study paper has been introduced as GE-I optional paper in the first semester
- Visual Design has been offered as Core II-P and Communication and Presentation Skills has been offered as GE-2 P in the first semester
- Creative Visualisation has been introduced as GE-II optional paper in the first semester.
- Understanding media has been accommodated as PCSEC in the first semester.
- Social media literacy has been introduced as GE-III optional paper in the second semester.

CC 1-Basics of Biochemistry

1. Unit III topics to be shifted to IV unit.
2. Unit III to be shifted to IV unit.

CC 2- Biochemical and Molecular Biology Techniques

1. First unit to be rearranged and some of the topics are removed from remaining units.

CC 3-Physiology and Cell Biology

1. First unit is replaced to Unit Vi and removed unit VI.
2. Interchange of remaining units.

Core Elective Paper I-Microbiology & Immunology

1. Unit III and Unit IV is combined to one unit and Unit V is Split into two units.

CC4-Enzymology

1. Some of the topics are removed from Unit III and Unit IV.
2. Some of the topics are added in unit V.

CC5- Cellular Metabolism

1. Unit V is replaced by a new topics.

CC -6- Clinical Biochemistry

1. Some of the topics are removed from Unit II & Unit V and new topics are included.

Core Elective Paper II- Energy and Drug Metabolism

1. Few topics are removed from Unit V.

CC - IX- Industrial Microbiology

1. Unit IV is replaced by a new topics.

CC -X- Molecular Biology

1. Unit III, unit IV and unit V are modified and rearranged.

Extra Disciplinary Paper- II

Molecular Basis of Diseases and Therapeutic Strategies

1. Some of the topics are removed from Unit II

CC- XII- Pharmaceutical Biochemistry

1. Unit I & Unit II is replaced by new topics

CC- XIII-Biochemical Toxicology

1. Some of the topics are removed from Unit III &Unit V

P.G Theory Question paper pattern (SEM.: 75 marks + CIA: 25 marks = Total: 100 marks)

Section – A Ten questions (two questions for each unit) – $10 \times 2 = 20$ marks

Section – B Five questions (two questions for each unit- either or type)- $5 \times 5 = 25$ marks

Section – C Three questions (3 out of 5 questions - one question is compulsory from each unit) – $3 \times 10 = 30$ marks

P.G Practical Question paper pattern (SEM.: 60 marks + CIA: 40 marks = Total: 100 marks)

Major Practical 1 – One question from whole paper – $1 \times 30 = 30$ marks

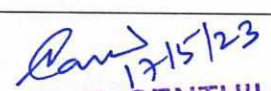

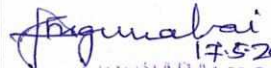

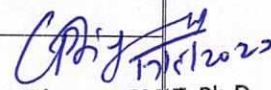

Minor Practical 2 – One question from whole paper – $1 \times 20 = 20$ marks

Viva voce - 5 marks

Record – 5 marks
