RESOLUTIONS

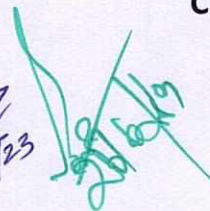

Dr. P.S. Vijayalakshmi, Principal and Chairperson of the Academic Council has welcomed the honorable members and **Dr.D. Dhanalakshmi**, Controller of Examination has presented the agenda. Having had good deliberations and discussions, the Academic Council has unanimously adopted the following resolutions.

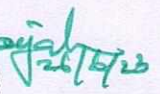

1. As per the guidelines of **Tamil Nadu State Council for Higher Education (TANSCH)**, the course pattern and distribution of credits for UG Arts and UG Science programmes as recommended by **College Curriculum Development Committee (CCDC)** are given in Annexure II & III. Further, it is resolved that any deviation from these by Board of Studies of any Department will be scrutinized and revised by the CCDC so as to be in conformity with the recommendations of the CCDC.

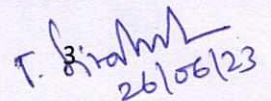

2. As per the guidelines of TANSICHE, the course pattern and distribution of credits for PG Arts and PG Science programmes as recommended by College Curriculum Development Committee (CCDC) are given in Annexure IV & V. Further, it is resolved that any deviation from these by Board of Studies of any Department will be scrutinized and revised by the CCDC so as to be in conformity with the recommendations of the CCDC.
3. Due to various difficulties in the construction of course pattern and distribution of credits for UG and PG Visual Communication as per guidelines of TANSICHE, it is resolved that after getting clear instructions from TANSICHE the Curriculum will be framed and shall be dealt with by the CCDC in its forthcoming meetings subject to the approval of the Academic Council in its next meeting.
4. It is resolved that in the Naan Mudhalvan Generic Name "Employability Readiness" the credit will be the same for all the UG courses as provided by the Naan Mudhalvan Scheme of Tamil Nadu State Government.
5. It is resolved that according to the adoption of 75% of TANSICHE Syllabi, Internship Programme is not included in the pattern. If need arises in the future, it will be implemented with the concurrence of CCDC. It will be ratified in the forthcoming Academic Council Meeting.
6. There is a change in the UG Question pattern ($10 \times 2 = 20$) as follows: Section – A to be changed as objective type $10 \times 1 = 10$ marks; and short answer type $5 \times 2 = 10$ marks pattern will be followed. Section – B and Section – C remain the same.
7. It is resolved that any matter regarding change of Curriculum if any, after this Academic Council Meeting shall be dealt with by the CCDC in its forthcoming meetings subject to the approval of the Academic Council in its next meeting.
