		Nadu has sanctioned an audio-visual class rooms. They have been enriched with LCD projector and LED TV/Monitor.
	Access to internet	<p>All students and staff have a free access to Internet after the class hours. It is unfortunate our educational system at the UG level encouraging rote learning rather than critical thinking. Hence, our effort is to ensure the syllabi of high quality could alone encourage the higher order skills of our students during the teaching-learning evaluation process. To incorporate the latest technological developments in the system, the following Internet facilities are provided:</p> <ul style="list-style-type: none"> • UGC Net Resource Centre facilitating 10 students to access the Internet. • 20 Broad Band connections under NME-ICT scheme • Wi-Fi Connectivity with limited resources has been installed. • INFLIBNET access extended to Research Scholars.
	*Available nearby the college
