PROGRAMME REPORT

The Research & Development Cell of Thanthai Periyar Government Arts and Science College (Autonomous), Tiruchirappalli – 23, is pleased to organise a **Students Empowerment Programme on “Fostering Research Mindset”** for all II PG students on 10th July 2025 at 11:30 AM in the Periyar Auditorium.

The programme will commence with the registration of participants and their orderly seating by 11:30 AM, The gathering warmly welcomed by **Dr. C. PARAMASIVAN**, Associate Professor of Commerce and Coordinator of the Research & Development Cell, who will outline the objectives of the programme and emphasise the importance of nurturing a strong research culture among postgraduate students. The dignitaries and the resource person will then jointly light the traditional lamp to symbolise the dispelling of ignorance through knowledge.

This will be followed by the Presidential Address by **Dr. K. ANGAMMAL**, Principal of the College, who will deliver her inspiring remarks on the significance of research aptitude and innovation in shaping young scholars into future academicians and industry leaders.

The highlight of the programme will be the keynote lecture by **Prof. N. MURUGESWARI**, Dean - Faculty of Arts, and Director & Head of the Department of Women’s Studies, Bharathidasan University, Khajamalai Campus, Tiruchirappalli, who will share valuable insights on cultivating a research-oriented mindset, exploring interdisciplinary approaches, and leveraging institutional opportunities for academic growth. An interactive session will follow the lecture, providing the students with an excellent platform to engage directly with the resource person through questions and discussions, thereby clarifying doubts and gaining practical guidance on research pursuits.

The formal proceedings will conclude with a Vote of Thanks delivered by **Dr. BALA KRISHNAN**, Associate Professor & Head, Department of Physics, who will express gratitude to the principal, resource person, faculty members, student participants, and organising team for their active support and enthusiastic participation. All students are earnestly requested to attend punctually, maintain decorum, and make the most of this valuable opportunity to strengthen their research acumen and academic confidence. Participation certificate given to all the students through online google forms submission

PROGRAMME REPORT

The Research & Development Cell of Thanthai Periyar Government Arts and Science College (Autonomous), Tiruchirappalli, in association with the Indian Academic Researchers Association, Tiruchirappalli, organised a One Day International Workshop on "Application of pH Stat in Research" exclusively for the benefit of II PG students and research scholars of the college.

The primary objective of the workshop was to enhance the research skills of young scholars by introducing them to advanced laboratory techniques and the practical application of pH Stat in diverse research contexts such as chemistry, biochemistry, environmental science, and industrial research.

The programme commenced with an enthusiastic Welcome Address delivered by **Dr. C. Paramasivan**, Associate Professor of Commerce and Coordinator of the Research & Development Cell. In his welcome note, Dr. Paramasivan highlighted the vision and mission of the Cell in promoting a vibrant research culture within the campus. He emphasized the relevance of organising workshops and training sessions to bridge the gap between theoretical learning and practical research implementation. He also acknowledged the support of the Indian Academic Researchers Association for their collaboration in bringing eminent international expertise to the students.

The session was presided over by the respected Principal, **Dr. K. Angammal**, who delivered the Presidential Address. Dr. Angammal, in her inspiring speech, appreciated the untiring efforts of the Research & Development Cell in consistently providing meaningful academic exposure to students and research scholars. She underlined the importance of acquiring hands-on training in modern research tools and techniques and motivated the participants to make the best use of such opportunities to excel in their respective fields.

The key highlight of the workshop was the technical session handled by the Resource Person, **Dr. T. Subramanian, Ph.D.** Professor of Accounting and Finance, College of Business and Economics, Raya University, Maichew, Tigray Region, Ethiopia. Dr. Subramanian delivered an insightful and interactive session covering the fundamentals, operational procedures, instrumentation, and advanced applications of the pH Stat method. He explained the real-time significance of pH Stat in monitoring and controlling the pH levels during experimental research, industrial processes, and environmental studies. His session included live demonstrations and case studies, which helped the participants gain practical understanding and clarity on the subject matter.

The workshop witnessed active participation from II PG students and research scholars from various disciplines. The interactive question-and-answer session encouraged the students to clarify their doubts and gain deeper insights into applying pH Stat techniques in their own research work.

The event concluded with a formal Vote of Thanks delivered by **Dr. B. Kannan**, Associate Professor of Commerce. Dr. Kannan expressed heartfelt gratitude to the Management, Principal, Indian Academic Researchers Association, Resource Person, faculty members, and student participants for their wholehearted cooperation and contribution to making the workshop a grand success. He also appreciated the dedicated efforts of the Research & Development Cell team in coordinating and executing the event seamlessly.

As a mark of recognition and encouragement, participation certificates were distributed to all the students and research scholars who attended the workshop. The feedback received from the participants reflected the success of the programme in equipping them with valuable knowledge and practical skills that will aid them in their future research endeavours.

The One Day International Workshop on Application of pH Stat in Research truly fulfilled its objective of empowering young researchers with practical know-how and international exposure, further strengthening the research ecosystem at Thanthai Periyar Government Arts and Science College (Autonomous), Tiruchirappalli.

PROGRAMME REPORT ON THE THREE-DAY ONLINE WORKSHOP

The Indian Academic Researchers' Association (IARA), Tiruchirappalli, in collaboration with the Research and Development Cell, Thanthai Periyar Government Arts and Science College (Autonomous), Tiruchirappalli, successfully organized a Three-Day Online Workshop on "Mastering Research through AI" from 15th to 17th August 2025. The workshop was conducted through a virtual platform with enthusiastic participation from academicians, research scholars, and students across India.

Day 1 – 15th August 2025

The workshop commenced on 15th August 2025 with the Welcome Address delivered by **Dr. Pranam Dhar**, All India General Secretary of IARA and Professor of Commerce at West Bengal State University, Kolkata. He highlighted the transformative role of Artificial Intelligence (AI) in research and encouraged participants to embrace digital tools for enhancing research quality and efficiency.

This was followed by the Presidential Address by **Dr. K. Angammal**, Principal of Thanthai Periyar Government Arts and Science College (Autonomous), Tiruchirappalli. She emphasized the importance of AI in academic research and acknowledged the collaborative effort of IARA and the college's R&D Cell in organizing such a timely initiative.

The technical session on "AI-Powered Literature Review and Data Mining" was conducted by **Dr. M. Gurusamy**, Professor at Adarsh Institute of Management and Information Technology, Bangalore. He elaborated on AI tools for literature survey, citation management, and automated data mining techniques. His practical insights helped participants understand how AI can streamline the review process and enhance the comprehensiveness of academic work.

Day 2 – 16th August 2025

The second day featured an engaging lecture on "Ethics, Bias, and Integrity in AI-Assisted Research" by **Dr. Siva Murugan K**, Research Associate at the ICAI's Centre of Excellence, Hyderabad. He sensitized participants about the ethical dimensions of AI, highlighting potential risks of algorithmic bias, data privacy concerns, and the importance of maintaining academic integrity while using AI tools. The session underscored the balance between leveraging AI for efficiency and adhering to research ethics.

Day 3 – 17th August 2025

The final day began with a technical session on "AI-Driven Data Analysis and Visualization" led by **Dr. M. Gilbert Rani**, Assistant Professor of Mathematics & IQAC

Coordinator, Arul Anandar College, Karumathur, Tamil Nadu. She demonstrated the use of AI-based platforms for statistical analysis, predictive modeling, and visualization techniques. The session provided participants with hands-on knowledge to enhance the analytical depth and visual appeal of their research.

The workshop concluded with the Vote of Thanks proposed by **Dr. C. Paramasivan**, Associate Professor of Commerce and Coordinator of the R&D Cell, Thanthai Periyar Government Arts and Science College (A), Tiruchirappalli. He extended heartfelt gratitude to the dignitaries, speakers, and participants for their valuable contributions and active involvement.

The three-day online workshop proved to be a significant academic event, equipping participants with vital skills to integrate AI tools into research practices. The sessions provided a perfect blend of technical knowledge, ethical considerations, and practical applications. The workshop not only enhanced participants' awareness of AI-driven research methodologies but also fostered a collaborative learning environment. The initiative was well-received and marked an important step toward promoting innovation and excellence in academic research through technology. More than 80 participants were registered and 50 participants were attended the programme regularly.

17 September 2025 @ 11:30 am in Thanthai Periyar Auditorium

PROGRAMME REPORT

The Awareness Program on Accounting Profession was conducted on 18th September 2025 at 11.30 a.m. in the Thanthai Periyar Auditorium, Thanthai Periyar Government Arts and Science College (A), Tiruchirappalli.

The primary aim of the program was to create awareness among students regarding the scope, significance, and career opportunities available in the accounting profession. It sought to motivate students, particularly commerce undergraduates, to explore professional qualifications such as CA, CMA, and CS while strengthening their academic learning with practical knowledge and skill development.

The session began with the **Welcome Address** by **Dr. V. SAROJA**, Head, Department of Commerce, who warmly greeted the dignitaries, faculty members, and students. She emphasized the importance of accounting knowledge in shaping successful business professionals and encouraged students to actively participate in the session.

The **Presidential Address** was delivered by **Dr. K. ANGAMMAL**, Principal, who highlighted the growing importance of professional education and employability skills in the commerce domain. She appreciated the efforts of the department and the R&D Cell in organizing such value-added programs for students' career growth.

The **Special Address** was delivered by **Dr. CMA T. K. SRIDHAR**, Cost Accountant and Director, Sahasri Singar Academy, Tiruchirappalli. His talk was highly insightful and motivating. He elaborated on the dynamic nature of the accounting profession, the relevance of cost and management accounting in today's business environment, and the diverse opportunities available in India and abroad. He further explained the pathways to pursue courses like CMA and CA and shared practical strategies for success in these professional careers. Students gained immense clarity and inspiration from his real-life experiences and professional guidance.

The program concluded with the **Vote of Thanks** proposed by **Dr. C. PARAMASIVAN**, Associate Professor of Commerce & Coordinator, R&D Cell, who expressed gratitude to the Chief Guest, the Principal, the Head of the Department, faculty members, and the enthusiastic student participants for making the event a meaningful and impactful one.

The participants of the program were First Year B. Com students of Thanthai Periyar Government Arts and Science College (A), Tiruchirappalli. The students actively engaged in the session and expressed keen interest in pursuing professional opportunities in accounting.

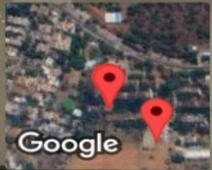

The Awareness Program on Accounting Profession proved to be a highly beneficial and motivating experience for the students. It not only provided career insights but also encouraged them to take proactive steps toward building a successful professional future.

PROGRAMME REPORT

Workshop on Statistical Analysis in Research

The Research & Development Cell in association with the PG & Research Department of Commerce organized a one-day workshop on "Statistical Analysis in Research" on 10th October 2025. The primary objective of the workshop was to enhance the research competencies of faculty members, research scholars, and postgraduate students by imparting hands-on knowledge about the application of statistical tools in research methodology. The event aimed to create awareness of various statistical techniques, data analysis methods, and their significance in scholarly research.

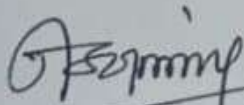

Dr. C. Paramasivan, Associate Professor of Commerce and **Coordinator of the Research & Development Cell**, welcomed the dignitaries and participants. In his welcome address, he emphasized the importance of statistical literacy for conducting quality research and encouraged participants to integrate data-driven insights into their research works.

The **Special Address** was delivered by **Dr. M. Balasubramanian**, Associate Professor, Department of Statistics, Thanthai Periyar Government Arts and Science College (A), Tiruchirappalli. He shared his expertise on various statistical methods and discussed the importance of selecting appropriate statistical tools for different types of research studies. His presentation covered practical aspects of statistical analysis, including hypothesis testing, regression analysis, correlation, and the use of software packages for data interpretation. The interactive session enabled participants to clarify their queries and gain a deeper understanding of complex analytical techniques.

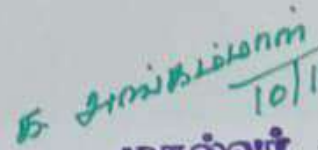

The **Vote of Thanks** was proposed by **Dr. V. Saroja**, Associate Professor and Head, Department of Commerce, Thanthai Periyar Government Arts and Science College (A), Tiruchirappalli. She expressed gratitude to the Principal, Chief Guest, organizing committee, participants, and support staff for their cooperation and contribution to the successful conduct of the workshop.

The workshop witnessed enthusiastic participation from faculty members, research scholars, and postgraduate students across various disciplines. The event provided participants with an opportunity to develop essential analytical skills and confidence in handling statistical data. dependently. All participants received **E-certificates of participation** as a token of appreciation.

The workshop was a resounding success, serving as a platform for academic collaboration and skill enhancement, aligning perfectly with the institution's vision to promote research excellence and analytical learning among scholars.

PROGRAMME REPORT

The "**Five-Days Workshop on Software Tools for Research Analysis**" was innovatively organized by the Research and Development Cell and IQAC of Thanthai Periyar Government Arts and Science College (Autonomous), Tiruchirappalli, Tamil Nadu, in joint association with the Indian Academic Researchers' Association, Tiruchirappalli. Scheduled from November 10th to 14th, 2025, each day at 5:30 PM via Google Meet, the event was thoughtfully curated to empower faculty members, scholars, and research aspirants with hands-on expertise in critical data analysis software and research tools. The sessions, conducted by distinguished academicians and researchers from notable institutions, aimed to blend conceptual depth with practical exposure across diverse data analysis domains.

The program commenced on November 10th with a formal welcome address by **Dr. C. Paramasivan**, Associate Professor of Commerce and Coordinator of the R&D Cell. This was followed by a presidential address by **Dr. K. Angammal**, Principal of Thanthai Periyar Government Arts and Science College, setting the tone for interdisciplinary knowledge sharing. An insightful orientation session on "Introduction to Research Data Analysis and Digital Tools" was delivered by **Dr. Jeyaraj Sona Singaram**, representing the Faculty of Accounting & Finance, Guangxi Minzu University, P.R. China, offering a global perspective on digital research methodologies. The day's proceeding was gracefully concluded with a Vote of Thanks by **Dr.K.Radha** , the NAAC Coordinator.

The workshop's technical core featured four substantive sessions, each devoted to a specific software tool and analytical approach. On November 11th, **Dr. Pranam Dhar**, Professor and Head of Commerce at West Bengal State University, skillfully guided participants through "Quantitative Data Analysis Using SPSS". The session demystified statistical methods, data preprocessing, and inferential analysis using SPSS—a mainstay in social sciences research. **Dr. M. Balasubramanian**, Associate Professor of Statistics, anchored the November 12th session on "Analytical Techniques Using R", empowering attendees with R programming capabilities for robust statistical modeling, data visualization, and reproducibility in research pipelines.

November 13th was dedicated to qualitative research with "Qualitative Data Analysis Using ATLAS.ti", led by **Dr. Sudin Bag** from Vidyasagar University. This session elaborated on coding schemes, thematic analysis, and qualitative data interpretation, underlining the significance of ATLAS.ti in humanistic, behavioral, and narrative-based research. The final technical session on November 14th spotlighted "Econometric Data Analysis Using Python",

conducted by **Prof. M. Sathiyamurthy** of Thanthai Periyar Government Arts and Science College. Attendees were introduced to Python's powerful libraries for econometric modeling, regression analysis, and time-series forecasting, scripted for scalability and automation. The event concluded with a closing Vote of Thanks by **Dr. K.Thanikasalam**, IQAC Coordinator.

Beyond live demonstrations and interactive discussions, the workshop encouraged active scholarly contributions through book chapter submissions, wherein participants could author chapters based on the workshop theme for publication with ISBN accreditation—free of additional charges to selected authors. The registration process, priced at ₹500 with a 50% concession for TP GASC faculty, scholars, and IARA members, was streamlined through a Google registration link and digital payment facility, ensuring broad and easy accessibility. Each participant was assured a certificate of participation, symbolizing their commitment to research excellence and methodological rigor.

Overall, the event exemplified collaborative academic engagement, nurturing a vibrant community of practice while fostering fundamental and advanced data analysis skills pivotal for contemporary research. With its comprehensive structure, eminent resource persons, and practical orientation, the workshop was a significant step toward empowering the research ecosystem across Tamil Nadu and beyond, combining technical competence with professional networking opportunities.

Dr. PRANAM DHAR

All India General Secretary-IARA, Professor & Head, Department of Commerce, West Bengal State University, Barasat, Kolkata – 700126. West Bengal

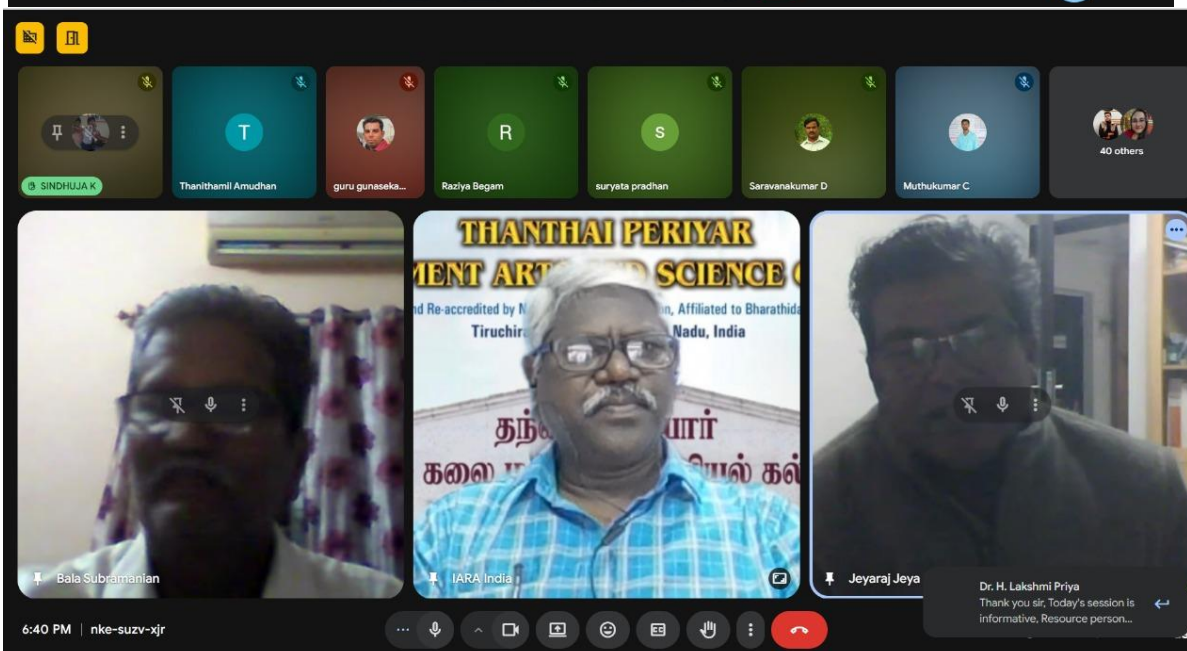

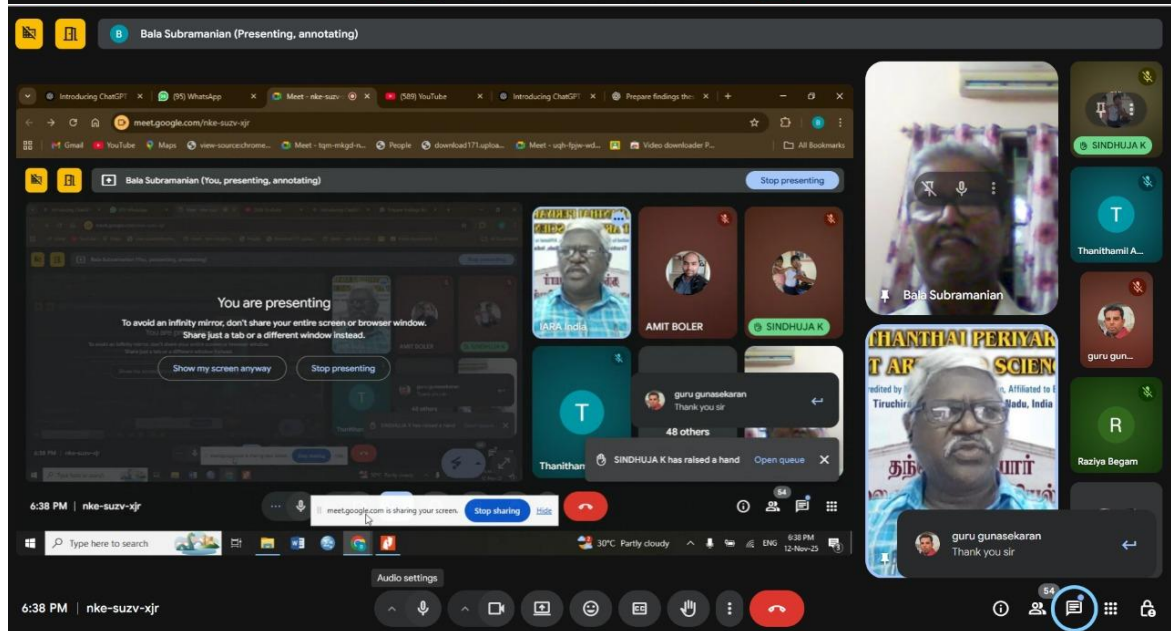

The image displays three sequential screenshots from a Zoom meeting. The top screenshot, timestamped 5:54 PM, shows a 2x2 grid of participants. The top-left participant is IARA India, and the top-right is Dr. Pranam Dhar. A gallery view on the right lists participants including Raziya Begam, Dip Sarkar, Muthukrishna..., SURYA SWAMY, Thanithamli A..., and PRITAM DHARA. A notification indicates that J Ramya (outside INDIAN ACADEMIC RESEARCHERS ASSOCIATION) joined. The middle screenshot, timestamped 7:12 PM, shows Dr. Pranam Dhar presenting a slide titled 'Sponsored Collaborative Research Project'. The slide content includes 'Project', 'Dr. C...', and 'A...'. Below the slide is a gallery view of participants such as Benita S Sherine, PRITAM DHARA, Priyadarshini, P, Dip Sarkar, Santa Saha, Raziya Begam, and 38 others. The bottom screenshot, timestamped 7:20 PM, shows a gallery view of participants including Dr. Pranam Dhar, IARA India, and Dr. Tamilarasu Jeejendar Alagappillai. An 'In-call messages' chat window is open on the right, showing messages from Dr. Rathnamani V, Dr. Dhanger's Complete Urocare, Santa Saha, suriyata pradhan, and Manimozhi R. A WhatsApp notification for 'jeyaraj China same link?' is also visible.

Participants of the Webinar will be awarded with e-Certificate

PROGRAM REPORT

The Research and Development Cell of Thanthai Periyar Government Arts and Science College (Autonomous), Tiruchirappalli, in collaboration with the Association of Mutual Funds in India (AMFI), organized a **National Webinar on “Strategies for Managing Personal Finance”** on **18th November at 11:00 AM**. The objective of the webinar was to enhance financial literacy and equip participants with essential knowledge on budgeting, savings, investments, and long-term financial planning.

The programme began with a warm welcome by the organizing team, followed by opening remarks from **Dr. K. Angammal**, Principal and Patron of the event. She highlighted the importance of financial awareness in the present economic context, especially for students and young professionals who must make informed financial decisions in a digitally driven financial environment.

Dr. Radha, Associate Professor of Mathematics, introduced the keynote speaker, **Mr. Veera Brahma Rao**, Senior Consultant, AMFI, and Former General Manager, State Bank of India. She presented an overview of his extensive experience in banking, investor education, and financial consultancy, setting an appropriate background for the technical session.

In his keynote address, Mr. Veera Brahma Rao delivered a comprehensive presentation on effective personal finance management. He discussed budgeting techniques, the significance of disciplined savings, understanding risks, diversification, and long-term investment strategies. He explained various mutual fund schemes, the benefits of SIPs, retirement planning methods, and the role of AMFI in investor protection. He also cautioned participants to read scheme-related documents carefully before investing.

The session was highly interactive, with participants raising questions related to investment choices, tax-saving funds, and market risks. The resource person addressed each query clearly and practically.

Dr. C. Paramasivan, Convenor of the event, delivered the vote of thanks, appreciating the efforts of AMFI, faculty members, and participants nationwide. He emphasized the need for continued financial literacy programmes for students.

All participants were informed that **e-Certificates** would be issued. The webinar proved highly informative and successfully enhanced awareness on personal financial planning.

Welcome Address

This screenshot shows a Zoom meeting interface. The top browser tabs include WhatsApp, BigBlueButton - IAPRO_OI, and several email inboxes. The address bar shows the URL: bigbluebutton.amfindia.com/html5client/?sessionToken=3051ip31jvnm1sh. The meeting title is "IAPRO_ON_Tue Nov 18 11:00 2025_132" and the time is 03:11. The meeting controls at the top show "Dr RADHA" as the current speaker and "C PARAMASIVAN" as the host. Three video thumbnails are visible: C PARAMASIVAN, Brahma Rao, and Dr RADHA. The main content area displays a slide titled "Investor Awareness Program" with a green geometric background and various icons. The left sidebar shows a "Public Chat" window with the message "Brahma Rao is now the presenter" and a list of 39 users, including C PARAMASIVAN (You), Brahma Rao, ABIRAMI, Aparna, C SURESH, and Dhinakaran. The Windows taskbar at the bottom shows the search bar, task view, and system tray with the time 11:10 on 18-11-2025.

Introduce to Resource Person

This screenshot is identical to the one above, showing the same Zoom meeting interface. The meeting title is "IAPRO_ON_Tue Nov 18 11:00 2025_132" and the time is 03:11. The meeting controls at the top show "Dr RADHA" as the current speaker and "C PARAMASIVAN" as the host. Three video thumbnails are visible: C PARAMASIVAN, Brahma Rao, and Dr RADHA. The main content area displays a slide titled "Investor Awareness Program" with a green geometric background and various icons. The left sidebar shows a "Public Chat" window with the message "Brahma Rao is now the presenter" and a list of 39 users, including C PARAMASIVAN (You), Brahma Rao, ABIRAMI, Aparna, C SURESH, and Dhinakaran. The Windows taskbar at the bottom shows the search bar, task view, and system tray with the time 11:10 on 18-11-2025.

Categorization of Mutual Fund Schemes

As per SEBI guidelines on Categorization and Rationalization of schemes issued in October 2017, mutual fund schemes are classified as:

Equity Schemes

Debt Schemes

Hybrid Schemes

Solution Oriented Schemes - For Retirement and Children

Other Schemes - Index Funds & ETFs and Fund of Funds

- Under Equity category, Large, Mid and Small cap stocks have now been defined.
- Naming convention of the schemes, especially debt schemes, as per the risk level of underlying portfolio (e.g. Credit Opportunity Fund is now called Credit Risk Fund)
- Balanced / Hybrid funds are further categorised into conservative hybrid fund, balanced hybrid fund and aggressive hybrid fund etc.

PROGRAMME REPORT

Special Lecture on “Innovation in Economic Development” National Innovation Day – 16 February 2026

The **Institute Management Committee** and the **Research & Development Cell** of Thanthai Periyar Government Arts and Science College (Autonomous), Tiruchirappalli, jointly organized a Special Lecture on “**Innovation in Economic Development**” on **16 February 2026 at 11.30 a.m.** in the **Smart Class Room**, in observance of **National Innovation Day**.

The programme aimed to create awareness among students and faculty about the importance of innovation in promoting economic growth and sustainable development. The event encouraged participants to adopt innovative thinking and explore new ideas in business, research, and entrepreneurship.

The programme began with the **Welcome Address** by **Dr. V. Saroja**, Associate Professor and Head, Department of Commerce. She emphasized the relevance of innovation in today’s competitive world and motivated students to develop creative and analytical skills.

The **Presidential Address** was delivered by **Dr. K. Angammal**, Principal of the college. She highlighted the role of innovation in national development and stressed the need for academic institutions to nurture research-oriented and entrepreneurial mindsets among students.

The **Special Address** was delivered by **Dr. B. Kannan**, Associate Professor, Department of Commerce. He elaborated on how innovation enhances productivity, improves competitiveness, and generates employment opportunities. He also discussed the impact of digital transformation and startup culture on economic development. The session was interactive and engaging.

The programme concluded with the **Vote of Thanks** by **Dr. C. Paramasivan**, Associate Professor of Commerce and Coordinator of IMC and R&D Cell. The event was informative and inspiring, successfully reinforcing the significance of innovation in economic development.
